

Position: Sculptor (Traditional Hindu Temple Sculptural Works)

Employer: Shri Shiva Mandir Ltd

Location: Minto, NSW

Employment Type: Fixed-Term Project Engagement

Shri Shiva Mandir Ltd is seeking experienced Sculptors to assist with the 3rd Maha Kumbha Abhishekam Restoration and Temple Architectural Enhancement Project.

Key Responsibilities:

- Create, restore and install sacred sculptural elements within the temple complex.
- Produce deity sculptures, decorative reliefs, sacred guardian figures and traditional temple ornamentation.
- Construct and restore sculptural works including Dasa Avatar sculptures, Shiva Thandava sculptures, Nandhi sculptures and Kosta Vighras.
- Complete decorative temple features including yali sculptures, floral medallions and architectural relief works.
- Undertake traditional finishing and detailing works associated with temple restoration projects.
- Ensure sculptural works comply with traditional Hindu temple design and iconographic requirements.
- Work under the guidance of the supervising Sthapati and temple management.

Essential Skills and Experience:

- Demonstrated experience as a sculptor, heritage artisan or temple sculptor.
- Experience producing religious, architectural or decorative sculptures.
- Experience in traditional temple restoration projects will be highly regarded.
- Experience in temple, heritage or cultural restoration projects will be highly regarded.
- Experience producing deity sculptures, relief work, ornamental carvings or architectural sculpture.
- Ability to work from detailed design drawings and traditional design references.
- Strong artistic ability and attention to detail.
- Ability to work from drawings, design references and project specifications.

Salary:

Competitive remuneration commensurate with skills and experience.

Applications:

Interested applicants should submit their resume and details of relevant experience.
