Significance of Skanda Shasti Festival:

The festival commemorates the divine war between Murugan and the asura Surapadman, representing the destruction of ignorance, ego, and evil forces within and outside us. Observing the fast symbolizes strengthening one's inner willpower and devotion to righteousness. The six days represent the **six faces (Arumugam)** of Lord Murugan and the **six virtues**—wisdom, courage, compassion, righteousness, self-control, and faith.
