CRAFTSMANSHIP COUNTS

When the weight of the world is depending on you: strength matters. At GLI, we know that our inground vinyl liners are the base upon which your entire pool setting is built: we understand the importance of a strong foundation. That's why all GLI liners are carefully constructed and designed with the highest quality vinyl using the most sophisticated computer-aided technology and leading-edge processes. We custom build each liner to the specifications of your individual needs. GLI carefully engineers every aspect and characteristic of your pool, including steps, bar stools, and/or other features that makes each liner as unique as each customer.

All GLI Inground Liners are created using G-Fusion Bonding Technology. This patent pending process is engineered to create a stronger, less visible seam for our custom-made vinyl liners.

Where Will Your Pool Take You?

LET THE COLOR OF WATER HELP YOU DECIDE

Make your pool a destination spot for your family and friends by carefully selecting your brand new liner from our exciting collection of four exhilarating color categories: **Deep Blue Sea**, **Lagoon**, **Beachside**, or **Whitesand**.

Deep Blue Sea

DIVE INTO THE DEEP BLUE SEA

Whether you want to create the perfect nautical backdrop or emulate an aquatic experience typically reserved for private yacht passengers, you will love these beautiful oceanic options. Take a plunge into the deep blue sea with one of these sparkling selections that will leave pool-goers feeling as if they've booked passage on a festive cruise atop the deep blue sea.

Whitesand

SHIMMER IN THE SUN!

Crisp, bright, and pristine, these uniquely designed concepts conjure tropic vistas of bleached beaches reminiscent of some of the white hot spot destinations south of the equator or in the remotest sections of the Caribbean. Clear, clean lines staggered by textured patterns and contrasted by specks of blues and grays over a bright background of white make these options fresh and fun.

FLAGSTONE GRAY

NEW! for the TrueStone Collection in 2020 is Flagstone Gray. Utilizing the popular design of it's sister pattern, Flagstone Tan, this pattern closely mimics natural flagstone, with larger stone work and natural gray hues. This pattern delivers the ultimate natural appearance. Pairs well with the Blue Slate, **NEW!** Concrete, Black Galaxy, Caribbean Gray, Gray Crystal, Royal Sapphire, Gunite Light Blue, and Midnight Quartz.
