

# Opening PFS Concessions

1. Retrieve nacho cheese from refrigerator. If none there, open new can and pour into canister. Plug in cheese and ensure it is in the on position.
2. Turn on fan and lights above fryers and grill.
3. Turn on deep fryers. Temp is already set.
4. Turn on food warmer.
5. Retrieve lettuce, tomato and sliced cheese from refrigerator. Onions will be under the counter.
6. Slice accordingly. Place in small containers into large metal pan with ice.
7. Retrieve large orange Gatorade cooler. Use the ice shaver beside of the ice machine to shave ice into cooler. Place in one side of the sink with syrup. Comes in 2 sizes, Small and Large. Clear plastic cups.
8. Turn on grill. Two left burners should be set at 350 degrees and the far right at 150 degrees. Place an aluminum container filled with  $\frac{1}{4}$  water on far-right side of grill. This is where you will place burgers and hot dogs when cooked.
9. Retrieve frozen hamburger patties from the freezer in the back room. Place on grill and cook until done. Place in aluminum container.
10. Retrieve hot dogs from refrigerator and place on grill. Cook until done and place in aluminum container.
11. All condiments are kept in the refrigerator. Place them on middle table where food will be prepared.
12. Metal container with ketchup, BBQ sauce, salt, pepper and napkins should be placed outside of front window.
13. Wipe off outside ledge at windows if needed.
14. Retrieve fries from freezer and cook. Sprinkle with Y'all purpose seasoning and place in warmer, use small cardboard trays.
15. Retrieve chicken nuggets from freezer. Cook and place into warmer. 6 Nuggets per order.

All supplies will be located either under the metal tables or on the shelving in the back room or to the left of the front concession window.
