## The Fine Print

1. Monthly Membership clients who choose the 1 month / \$100 option are agreeing to a monthly charge of \$100 for a minimum of 3 months. Clients must submit their wish to cancel in writing 3 business days prior to the next billing date to cancel services. Canceling in less than 90 days will result in a one-time \$25 cancelation fee which will be billed using the method of payment on file.
2. We require 24-hour notice of appointment cancelation or rescheduling. No-shows will not be rescheduled or refunded. If your schedule prevents reliability, please call the office on the day you wish to be seen to check for availability as a walk-in.
3. Services do not roll-over from month to month. Any unused services each month will expire when the new month begins.
4. Light Lipo will receive basic weight only at each session. Measurements, smart scale and diet suggestions will be provided every 6th session.
5. You may book all 4 services the same day or spread them out over the month. You may choose 4 of the same service or mix and match services to your liking.
6. Services and membership are non-transferable and may not be shared.
7. Partial refunds will be considered on a pro-rated basis for the 6, 9 and 12 month options with written notice. Refunds will be subject to a one-time \$25 cancelation fee.
8. You must RSVP for the Paint Night events 1 week before the event to reserve your seat. Paint Night information will be posted next to our monthly calendar on the first business day of each month in the reception area. You may also call, text or email us for details.
