Can't decide?

Come into the restaurant for dinner. Try our barbecue and southern specialties and then we'll help you design your menu.

Pick Up

Place an order for pick up here at the restaurant at a specific time.

Hot Delivery

All food is prepared at REDBONES and then delivered piping hot to your location. Please inquire about delivery cost to your area.

Hot Delivery With Service

Experienced wait staff are available for all occasions. The size of your party determines the number of servers required. All labor is based at six hours, including delivery, set up, serving, then breakdown, and cleanup. Additional charges will apply to overtime or travel time.

On Site Cooking

Have a real down home Southern Barbecue anywhere. We'll bring our grills, actual pit smokers on wheels, to your party to "finish" the meats and then serve your feast. One of our pitmasters will accompany the smoker to your event of up to 75 guests (larger parties will require additional pitmasters). Please call and we'll quote you a price.

Pig Roast

We'll slow smoke a whole pig (or whatever else you would like) and deliver & serve it to your guests with all the fixin's: pulled pork, cole slaw, beans, cornbread and sandwich rolls for a minimum of 50 people. For larger groups, please inquire.
