

RICHARD TX-24
FLEMING
FOR U.S. CONGRESS

I have worked closely with Richard Fleming and know him to be a responsive, thoughtful, visionary public servant. **I would like to tell you a little bit about why I support Richard for U.S. Congress and why I am asking you to vote for him.**

As a Carrollton city councilman, I had the pleasure of working with Mr. Fleming when he served as a school board member for Carrollton-Farmers Branch ISD; he was always a consummate professional and made his decisions and deliberations on what's best for the kids. Richard has proven that he is a leader and winner here in North Texas.

I am fully confident that Richard will provide the visionary leadership that North Texas so desperately needs. Please support Richard Fleming for Congress. He gets results and he brings people together; I've seen it first-hand the difference his leadership can make.

Sincerely,

Jeff Andonian

Former Mayor Pro Tem/ City Councilmember, Carrollton Texas.

P.S. Richard Fleming needs help reaching more voters, and today we are hitting a critical fundraising deadline. Can you help?
