

RICHARD TX-24
FLEMING
FOR U.S. CONGRESS

I first met Richard as a seventh grader while attending Vivian Field Middle School in Farmers Branch. Richard and I competed in athletics together up through high school in both track and football.

I love the fact that my good friend recently served as a school board trustee for nine years on Carrollton-Farmers Branch ISD school board, advocating for kids in the same school district that he and I both graduated from.

I want to stress in this brief message is Richard's leadership traits such as authenticity, integrity, accountability, and compassion. We know the ethical and moral issues which have plagued our nation. We are becoming too familiar with elected officials on the national scene not behaving like grown-ups, which hinders good government.

It is my belief that leaders should set an example for our children – good or bad. Richard is a champion for education, working families, small business, ethical and transparent leadership.

Please vote for my good friend Richard Fleming for US Congress TX CD 24. Early voting begins February 18th through 28th – Election Day March 3, 2020

Sincerely,
Dr. Jeremy White MD.
