

GUARDIAN OWL

HOME WATCH

Before You Leave Your Home
for an Extended Trip:

Shut Off Water

Close main valve & check irrigation settings.

Set Thermostat for Safety

Winter: Prevent freezing, Summer: Manage humidity.

Address Freeze Concerns

Disconnect hoses & prep exterior.

Check Power & Pumps

Confirm sump pump & backup systems.

Unplug Electronics

Turn off non-essential devices.

Secure Doors & Windows

Lock up all doors, windows & garage.

Maintain the "Lived-In" Look

Hold mail, set timers, hide valuables.

Clear Out Perishables

Empty fridge, freezer & trash.

Notify Your Home Watch Pro

Confirm visit schedule & escalation plan.

**Plan Ahead & Travel
Safe!**
