Mission Statement:

While Access the Arts has been hosting free events and connecting people to the arts since 2011, it was officially certified by the State of Ohio as a non-profit in 2018. It is organized exclusively for charitable and educational purposes under section 501(c)(3) of the Internal Revenue Code. Our primary purpose is to unite the community and offer a platform for those who would like to share their talents to inspire others. We provide an exposure to the arts and interactive opportunities for the elderly, at-risk youth, and those with special needs, and we promote an appreciation for and education in the fine and performing arts for people of all ages. We are funded by grants, corporate donations and contributions from individuals.
