Seafood and Southern Classics

Some of the South's most treasured dishes come from the sea, and with the bounty of the New England Coastline we are able to bring these fine offerings here as well. All items are made from scratch with as many Vermont products as possible, and as always we can accommodate any allergies and dietary concerns.

Jambalaya

The essential New Orleans dish, Jambalaya is a hearty and heartwarming dish that will please the whole group. Our Jambalaya has organic chicken, smoky sausage, white fish like cod, and gulf shrimp, all simmered with rice and spices. The heat level of spices can be adjusted to any comfort level, and the flavor is never has to be compromised

Shrimp & Grits

A rich and creamy Southern classic, and is a favorite for anyone who has had it. We use only wild American shrimp, and pair that with rich and spicy sausage gravy. We learned to make grits from the masters of Southern cuisine in Charleston South Carolina, and they will make a grit enthusiast out of even the most hardened of skeptics

Fish Fry

We coat our seafood in buttermilk and dredge it in a mix of cornmeal, flour, and spices, and we fry everything onsite to order, so it's hot & crispy. All options include spicy remoulade sauce, and smoked cocktail sauce. Packages only available as full service, as fish needs to be fried to order
