Rabies vaccinations are required by NC law.

I have proof that my pet has a current Rabies vaccine (please initial) _____

Microchipping includes enrollment and lifetime registration.

All patients will receive a small permanent green ink **tattoo** indicating they have been spayed or neutered.

Spay Today is not a full service veterinary hospital. Pets will only be seen here on the day of their surgery. Booster vaccines, heartworm prevention/treatment, flea preventions and all future medical care must be provided by a full service veterinary hospital.
