Pre-Surgical Instructions

NEW GUIDELINES AT SPAY TODAY

In response to concerns about the current issues with COVID-19 we ask our clients to do the following:

- If you or anyone in your family develops a respiratory illness before your pet's appointment, please call and let us know.
- If your pet develops a respiratory illness, please call and let us know
- On surgery day park in our lot behind the Farmer's Market. Do not enter through the dumpster site and do not park at the Pitt County Animal Shelter.
- Upon arrival we ask that you remain in your car where a staff member will bring you paperwork.
- Once you have completed the paperwork (**3 sheets**), please bring your pet and paperwork to the porch to pay.
- If able, please wash or sanitize your hands before coming, wear a mask and bring your own pen for filling out paperwork.

Our staff will be wearing masks and sanitizing their hands.
Together we can help each other stay safe and healthy.

- Pets should not have any food after midnight the evening before surgery. They should have free access to water all night. Puppies and kittens under three months of age should be given a small breakfast in the morning.
- Please arrive at the clinic between 7:15 and 7:45 am.
- All dogs should be on a leash and all cats must be in a cat carrier or in a trap if feral.
- Payment must be made at drop off. Cash, credit or debit cards are accepted.
- Bring proof of rabies vaccination with you if possible.
- Pick up time for dogs is 3 pm and for cats is 4:30 pm.
