

The Blue Hand Group

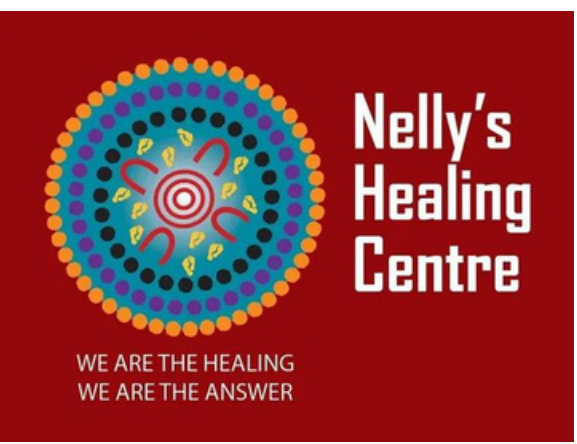

Local Business Sponsors Presentation

We believe that if everyone chips in a little, the world can change a lot.

**10.2 million Australians need
support and supplies every year.**

Organisations that We Provide Support To

Make a Big Difference Today

Our charity is seeking support from local businesses, which can recoup donations during tax time.

We are ideally seeking a \$1000 donation each year, and or in-store voucher(s) to help us raise funds. All-sized donations are warmly welcomed.

Our Cap Policy means that once our projected annual operating expenses have been covered for the year, 100% of every additional dollar goes directly to referred people in need.

For instance, mothers fleeing domestic violence can buy school supplies for their children.

Sponsorship contributions can be sent to:
Commbank BSB: 062-212
Account Number: 1070 7628

Reply with details of what you will be donating e.g. \$100 + 2 x \$50 in-store vouchers. If you contribute \$1000+ to our charity we will post a tagged image once a month.

Your generosity will be featured on our website's Who Helps Us page, the AHCF page, Local Legends Map, and True-Blue Pages (Like the Yellow Pages).

We will also provide a unique A4 document for you to hang in the store to let your customers know that you support charity.

About The Blue Hand Group Charity

We provide much-needed supplies to organisations and referred people. Items such as:

- baby clothes, toys, goods, linens, and books
- sporting and musical equipment
- school and art supplies

Having these supplies can spark crucial learning opportunities and chances for people to thrive, not just survive.

We work to prevent negative health outcomes from developing via our sustainable practices.

However, demand for our services continues to grow. As such we are

can no longer operate on volunteer power alone. So we are seeking support from the public and local businesses.

Together we can provide support to a diverse range of vulnerable in our shared community.

With a bit of teamwork, our charity can continue to run our programs and your business gets exposure, low-cost marketing, and a stronger positive brand image.
