5 Inch Blocks

-50 Colored Blocks

-22 Contrasting Blocks + yardage for borders

-Arrange 5-inch squares following the pattern in the photo.

-Make 9 – 1/2 square triangles:

Place two 5-inch squares with right sides together.
Sew down the middle (see figure 2)
Cut to allow a 1/4th inch seam allowance.

-Sew each row of blocks together, then sew the rows together.

-Add 3-1/2-inch borders on to top and bottom (using the same fabric as your contrasting blocks.) Add more borders if you would like your quilt wider/longer.

Finished size: 38x46 inches.
