THE SUITE INVESTMENT

La Vida 帝峰
Golden Topper
金月金属

La Vida by Golden Topper now offers Studio Suites, a unique upgrade to the ordinary Studio unit.

Maximizing space and making the most of your investment, Studio Suites offer more room to breathe and more possibilities to customize your living space.

More spacious than ordinary units, your Studio Suite is convertible to a One Bedroom or a Two Bedroom.

ABOUT GOLDEN TOPPER

Set to redefine cities across the Philippines, Golden Topper aims to elevate the real estate landscape with world-class structures built by local and International experts in property development. We build on the foundations of culture and bring our homes to life with imagination. We're more than just real estate, we're a lifestyle.

OUR OTHER PROJECTS

City Clou is a mixed-use development located in the heart of midtown Cebu. The project combines residential, office, commercial, and leisure facilities in one vibrant community, catering to the needs of every lifestyle.

El Sol is a residential development set to rise in the beautiful Island of Mactan, Cebu. The project is an escape from the bustle of city life, offering a fresh way of living with amenities and living spaces designed for leisure and relaxation.

Park One is located in the fast-growing city of Las Piñas. The project's prime location grants residents seamless access to the Alabang and Bay Area business districts, as well as known leisure destinations in the south.
