

THE ALBURYS CHARITABLE FOUNDATION

GRANT PARAMETERS FOR 2024

- Targets:** Disadvantaged children
Organisations involved in animal welfare
Young artists in the world of musical theatre
- Diversity:** Aim to award grants evenly among the 3 support targets
- Preferences:** Mostly project based, where only TACF is providing the support
project duration ideally 12 months maximum
periodic monitoring of project with feedback on completion
Occasional grants to medium sized charities as part of a larger project
usually a one-off payment up-front
verify project on completion then request feedback
- Locations:** London boroughs: Croydon, Sutton and Bromley
Counties: Surrey in or around Caterham and Oxted
Kent in or around Dartford
- Note:** For this year we are confining our operations strictly to locations very close to our home base. We intend to visit the charities and other organisations that we might support, meet some of the personnel involved and observe at first hand the activities in which they are engaged.
- Budget:** Up to £7,500 per grant
