Our mission is to enhance and preserve the quality of life and sense of community through effective and efficient management of the Association, enforcement of rules and covenants to preserve property values, and support initiatives and capital improvements that benefit the greater good of the community.

Please take a moment and review the bylaws and covenants on our website:  
[www.princetonsubdivision.com](http://www.princetonsubdivision.com)

**There are many homeowners in breach of the community's covenants, from yards and homes being unkept to broken down vehicles that need to be removed.**

**PLEASE** take care of these issues! We are required to attend to any violations and would like to avoid sending letters, etc.
