# Business Card Holders

**Realty Business Card Holder - \$10.00**

**Doctor/Healer Business Card Holder - \$10.00**

**Standard Card Holder - \$4.00**

Have an idea for a different type business card holder? Or an idea for something else? Let me know!

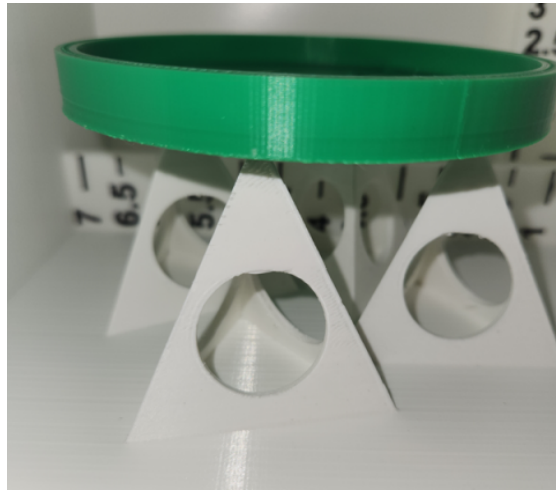

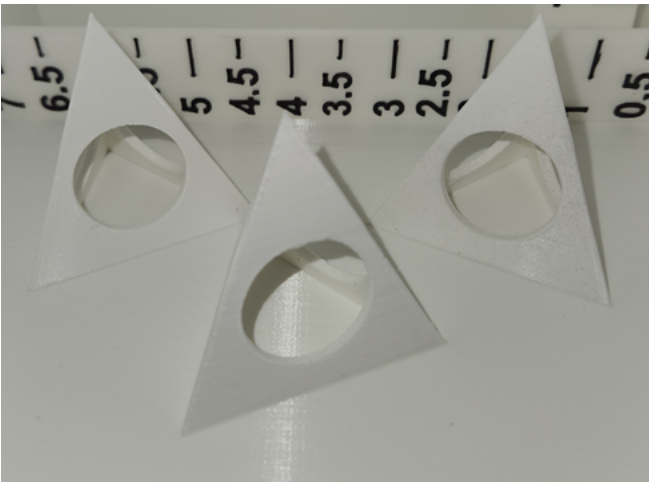

## Logo 3-D Printing

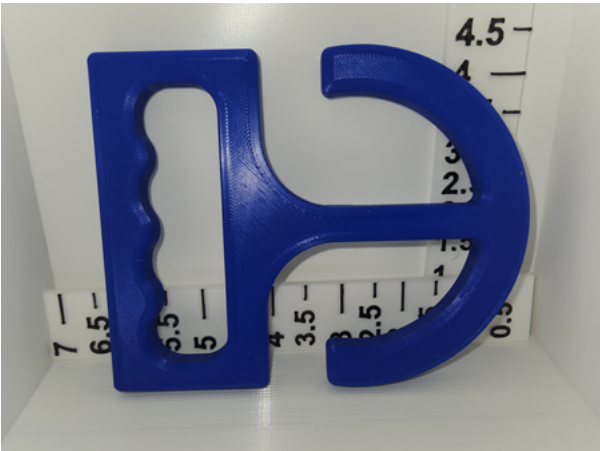

Custom Logo Printing - \$Various Pricing.

## Tools/Household

Painter Triangles – Great for painting projects around the house. The minimum contact will allow for best painting projects without worrying about paint seams/different coat lines. - **\$2.50 for 4**

Bag holder – Wonderful for grocery shopping trips – bringing in multiple bags (paper/plastic/whatever) without hurting your fingers/hands. - **\$5.00**

Washer Drain Hose Guide – Helps guide and keeps drain hose for your washer into the drain port. - **\$5.00**

## Filter Clips for Fans

Fan Clips – Tired of dirty fans? Easy fix. These clips (4) will stick to the fan (double sided tape) and allow for a filter to be added to the back of your fan. **\*\*Filter Not Included\*\*** You will need a 1 inch thick filter from any hardware store. You will need the nearest size filter that will fit your fan.

4 pack of clips - **\$6.00**

## Credit Card Portable Displays

Sticker From Their Site    Dual Reader/Business Card Display

Shopify Display

Credit Card Reader Display – Great for a booth/desk. Allows for charger/button for syncing in back. **\*\*Reader and Sticker not included\*\*** - It can be obtained from their website (takes about 4 to 5 days to obtain once ordered).

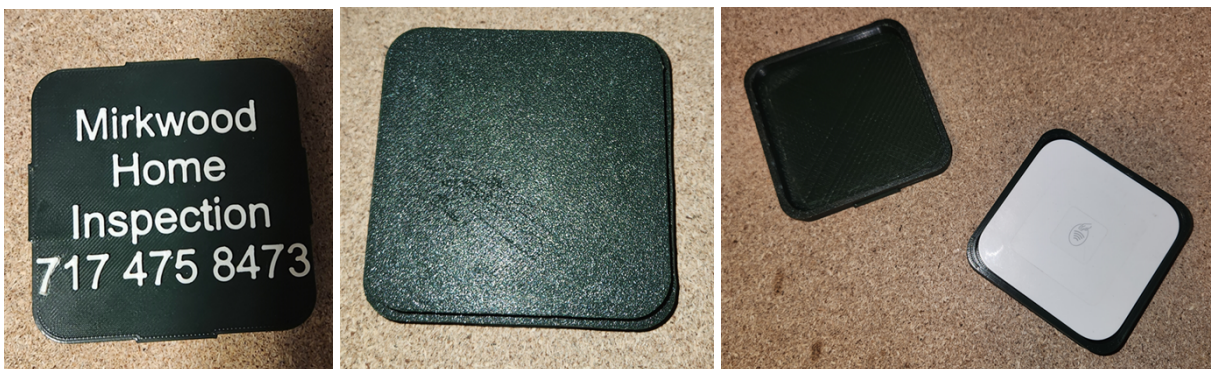

Square Reader Display - **\$8.00**

Dual Square Reader Display (Bottom-Middle Photo) - **\$13.00**

Shopify Display - **\$13.00**

---

**3 Pack - \$30.00**

# Custom Colors

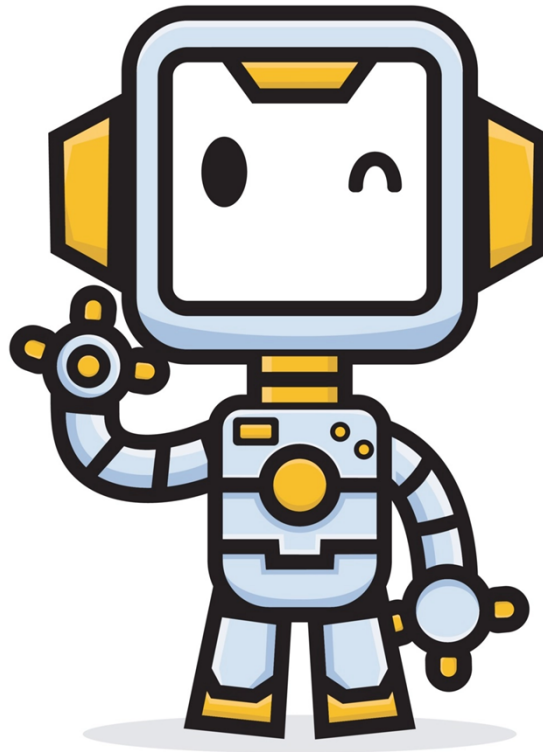

## Summary

So here's my catalog of items for sale.... Currently. It will be updated as needed.

BUT here's the deal. All this quirky stuff on here isn't all I can do. I need ideas... I really do! I love designing stuff and love selling it. So... The email address on the bottom of this page... send me ideas! I'd love to hear from you.

Thanks!

-Your friendly TinkerBot
