

GO-KOT® Expeditionary Cot™ Long

**Berry Amendment Compliant Product*

Coyote (GKB-2LC)

OCP (GKB-2LOCP)

“Boots on the ground doesn't have to mean sleep on the ground.”™

The **GO-KOT® Expeditionary Cot™** is Agile Combat Employment (ACE) ready. Our cot is engineered for swift deployment and effortless transport. Crafted from robust materials, it can endure extreme conditions, making it a reliable choice for ACE operations. The **GO-KOT® Expeditionary Cot™** offers maximum portability, durability & comfort while minimizing setup time, footprint & weight. It assembles in less than a minute and supports up to 350 lbs.

- Innovative bed surface design eliminates uncomfortable cross bars
- Proprietary hinges allow for easy for easy assembly, folding and storage
- Heavy Duty frame constructed with aircraft grade aluminum poles, supported by spring steel legs
- Compact size and lightweight design makes for an easy carry
