

FBI NATIONAL ACADEMY ASSOCIATES, INC., CALIFORNIA CHAPTER NEWSLETTER

FBINAA California Chapter Newsletter

APRIL 2019

Message From Our Chapter President

Greetings Fellow Associates,

First and foremost, I want to congratulate Session #275 on their successful 10-weeks in Quantico. This group of professionals made the most of their opportunity at the National Academy and will now return to their Departments' ready to lead in new and different ways.

Having experienced plenty of winter weather, I for one am ready for the change of seasons, which means a time change. Spring Training, baseball and warmer weather. This is also the time of year when the chapter presidents, secretaries, and treasurers, meet with the National Executive Board to discuss the direction of the association. Having recently returned from Quantico, this newsletter is perfectly timed to provide you with an update and direction of the association as we head further into 2019.

Our membership renewals have resulted California being knocked from it's longtime perch as the largest chapter in the association. Without a significant push in these final weeks of March, we will find ourselves lagging behind Florida. We send about 20 students to each of the four sessions per year and we are experiencing a loss of recent graduate renewals at an alarming rate. The experience of the National Academy is a once in a career opportunity and one that remains part of many member's life, way beyond their law enforcement career. The FBINAA also offers members on-going and relevant training at our quarterly luncheons, the Law Enforcement Executive Seminar and our yearly conference. If it has been a while since you have participated in a FBINAA event, I would encourage you to reach out to a National Academy friend and come to an event. Our membership rates remain low compared to other professional associations, so be sure to renew your membership. Many departments will pay for professional association memberships, so inquire within your organization about continuing your professional development and on-going networking opportunities. Attending the training is also a great way to get your P.O.S.T. credits.

Recently, you received an e-mail from National announcing a new mobile device app called FBINAA Connect. This long anticipated app is exactly the type of tool you will find useful to keep up on current events and your fellow associates. I would encourage you to give the app a try. The app can be downloaded from the Apple App Store or the Google/Android Play Store.

On the topic of membership, the National Board did introduce a plan to incrementally increase dues over the next five years. New membership categories and definitions were also discussed. The National Board received plenty of feedback from the Chapter representatives. The National Board will continue to discuss the proposal at an upcoming National Board meeting. The Association bylaws allow for the National Board to address the topic of dues by a two-thirds vote by the Executive Board. Given the financial stability of the California Chapter, it is unlikely your California dues would increase.

On the conference front, the Arizona Chapter is making a herculean lift to host the 2019 Annual Conference in Phoenix in July. Take a look at the conference plans and curricula at <https://fbinaa2019.com>. Our own California Chapter Annual Conference will take place September 3rd - 5th in beautiful Newport Beach. More information about the conference can be found at <http://www.fbinaacc.com/index.html>.

The California Board will conduct a tele-conference meeting in the coming weeks. We will share more details from the Quantico meeting with each of the Division Vice Presidents who will then provide the information at an upcoming meeting or event.

Sincerely,

Daman Christensen, (FBINAA Session #242), 2019 California Chapter President

MEETING CA GRADUATES FROM SESSION #275

*California Chapter
President: Daman
Christensen*

*California Chapter
Treasurer: Cris Trulsson*

*California Chapter Sec-
retary: Max Santiago*

The National Academy continues to evolve. During this recent visit by the Chapter President, they dedicated a National Academy historical wall. The Academy staff have done a great job in capturing many of the highlights of the National Academy's 84-year history. The center courtyard is also undergoing a complete renovation as well as a new memorial at the front of the academy entrance.

Also, while at this year's President's Meeting at Quantico, the 2019 California Division President, Daman Christensen, the Secretary Max Santiago and Treasurer Cris Trulssen got to meet up with the California graduates of Session #275 and take them to dinner. Meeting the graduates gave the Board members the opportunity to introduce themselves and tell the graduates about the National Academy Associates.

The California Chapter is the largest of the Chapters and offers a lot of opportunities to graduates once they become members. The FBINAA is an elite membership and allows its members access to over 14,000 members worldwide. The California Chapter is the only Chapter that has four Divisions, so members traveling up and down the State have the opportunity to attend luncheons and events at any of the Divisions.

SOME CALIFORNIA GRADUATES FROM SESSION #275

Derrek Kaff, Deputy Chief of Woodland PD in front of the Hurt.. sign at the FBINA Academy at Quantico.

Derrek had the following to say regarding his experience at the Academy:

“Attending the national Academy has broadened my perspective on law enforcement and also reaffirmed my commitment to the profession. My instructors were fantastic, but my classmates have taught me so much more than I ever anticipated. This was the experience of a lifetime and I look forward to continuing my career with a new outlook on how to best lead in my agency.”

Here we have Derrek Kaff from Woodland PD, Christine Calderwood from Carlsbad PD and Brian Nevins from the San Diego Sheriff's Department sampling what Philadelphia is famous for, their cheese steaks at Gino's Cheese Steaks in Philadelphia.

This photo shows Art Proctor from CHP standing next to a historical sign about Tun Tavern during the Philadelphia field trip.

FBINAA MEMBERS MEET UP

The Northern California Peace Officers Association (NCPOA) luncheon in January had some wonderful table decorations that honored law enforcement, particularly at a time when law enforcement was grieving over the death of Officer Natalie Corona who was shot while at the scene of a traffic accident.

The NCPOA is not just a place for their members, but also NA members.

L—R: Don Savage, Sacramento Sheriff's Department (ret.), NA Session #151; Mary Savage, Sacramento Police Department (ret.), NA #165 and Hal Barker, El Dorado County Sheriff's Office (ret.), NA Session #86 were able to have lunch together and catch up.

At the Post Naval Graduate get together in Monterey on February 20th, three members from FBINA Session #225 ran into each other. L—R: Gina Haynes, Sacramento Police Department (ret.), Mark G. Stigler from Waukesha, Wisconsin and Lisa Shahade, Deputy Chief of AMTRAK.

Graduates from Session # 274 met up at the Sacramento Division Luncheon. This was the first luncheon as a member of the FBINAA since graduating from the Academy at Quantico. It was so good to see new graduates getting involved and continuing to expand their education, training and networking.

L—R: Dan Morrissey, Sacramento Sheriff's Department; Bryan Fritsch, West Sacramento PD; James Jacobs, California Highway Patrol; Jason Bassett, Sacramento PD.

FBINAA MEMBERS SHOOT AT FRONT SIGHT

At the end of March two NA grads, our Historian Gina Haynes, NA #225 and Jason Russo NA #272, met up in Las Vegas and together with a friend from Homeland Security, headed to the middle of the desert to attend the prestigious shooting school FRONT SIGHT. Our Historian Gina had bid on the Front Sight membership at the FBINAA California re-trainer last year and this was her first course. Front Sight offers a large amount of courses ranging from 2 to 4 days, midweek or weekend, handgun, shotgun, rifle, uzi, etc. Our NA grads attended the four day defensive handgun course. The course covered some classroom lecture then a large amount of shooting. 600 rounds were fired into a variety of targets. The course days were very regimented, with a high regard for safety, but there was a wide variety of training to keep it fun and engaging.

A lot was learnt and there was plenty of time to work out those bad habits and focus on the “front sight”. Highly recommended is a speed loader as there is next to no down time. If you get an opportunity to bid on a membership...take it, you won't be sorry!

Jason Russo's practice paid off and he came away with the “DISTINGUISHED GRADUATE” certificate. Congratulations Jason!

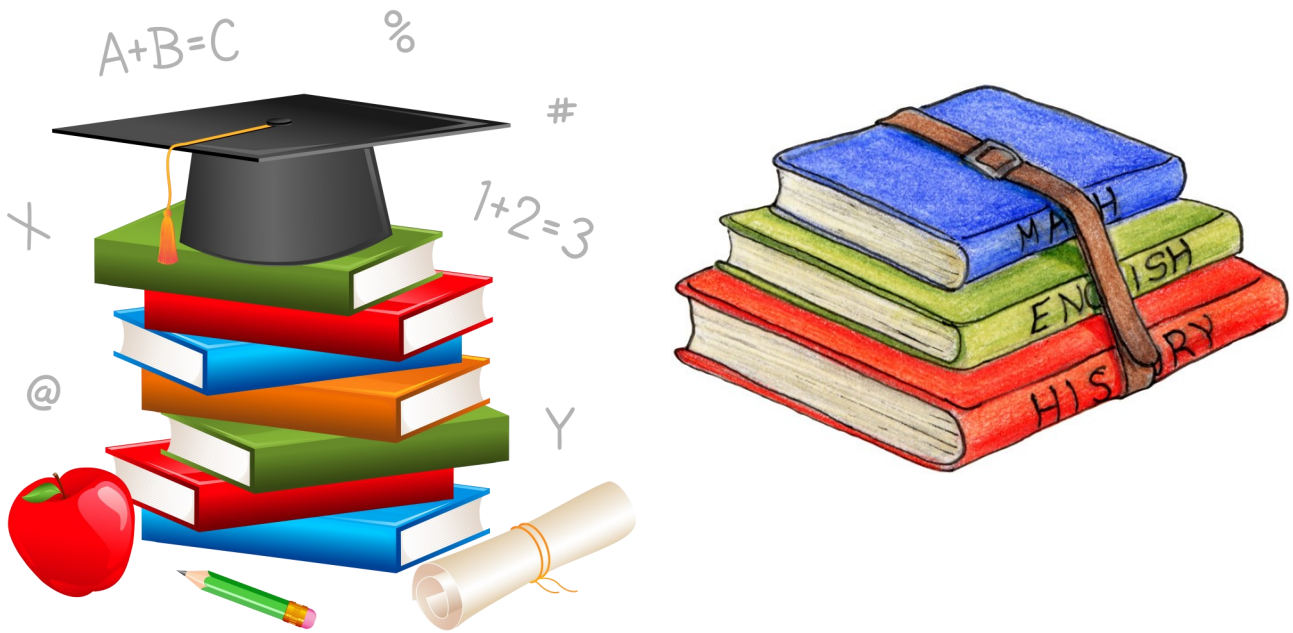

L _ R: Chris Reider (Homeland Security), Gina Haynes and Jason Russo

Approximately 2000 people attend every week, they come from all over the States and with 50 ranges, it's no problem.

THE CALIFORNIA SCHOLARSHIP

The California Chapter is proud to announce the college scholarship program for the **children and grandchildren of associates**. The names of the scholarship recipients will be announced at the State Conference in Newport Beach at the beginning of September, 2019.

The Guidelines for Scholarship Awards:

Applicants must be a child, step-child, adopted child or grandchild of an active Association member in good standing, or a deceased member of the Association.

Scholarships shall be awarded to applicants who are enrolled as a student in any accredited college, university, or academy approved by the Scholarship Committee. Accreditation may be verified through the U.S. Department of Education's Office of Postsecondary Education.

Awards are limited to one scholarship each calendar year during which the scholarship was awarded. Priority is given to those students who have demonstrated academic achievement by completing at least 30 semester units—or 45 quarterly units— while maintaining a minimum course load of 12 semester units—or 18 quarterly units—and an overall grade point average (GPA) of 2.0 or higher

An application may be downloaded from the FBINAA California Chapter website Resource Library or contact your Division Vice President to request a copy.

Please note, all completed applications must be post marked no later than June 30, 2019. Please submit applications to the Vice President of your respective Division.

SACRAMENTO DIVISION NEWS

On Wednesday March 13th, 2019, the Sacramento Division held their Business Meeting and Training Luncheon at the new FBI Sacramento Office in Roseville, CA.

Speaker : SSA Dennis Guertin

At the first quarter luncheon for the Sacramento Division, members got to listen to a presentation by SSA Dennis Guertin, who briefed alums on a recent case involving a terrorism investigation and arrest. The investigation, which took two years, involved agencies in the United States and overseas. The CIA, Anti-Terrorist Squads, Immigration, Customs, FBI and Local Law Enforcement were just a few of the agencies involved. The success of the case was a great example of collaboration and the work of the Joint Terrorism Task Force.

Reminder: The second quarter Sacramento Division social will be held on Wednesday, June 12th, at Raley Field. Members are invited to watch the Sacramento River Cats take on the Omaha Storm Chasers at 7:05 PM. Look for a flyer with more information in the next several weeks.

ELECTIONS FOR THE EXECUTIVE BOARD POSITIONS

The FBI National Academy Associates, Inc., California Chapter will conduct elections for two Executive Board positions during the 2019 Annual Conference in Newport Beach, CA the week of September 2019. The following individuals have expressed an interest in running for positions on the California Chapter Executive Board.

From the candidate running for the position of Treasurer:

*Commander (ret.) Mike Barletta, NA 222, Immediate Past President
San Diego County Sheriff's Department*

Ever since my graduation from the 222nd FBI National Academy in 2005, I have been looking for opportunities to support the National Academy Associates. With the imminent conclusion of my term as the Immediate Past President of the California Chapter, the timing is such that I desire to continue to serve you, the members, by becoming the Treasurer of our Chapter.

I recognize that the position of the Chapter Treasurer is a labor-intensive position, requiring a high degree of attention to detail, and a thorough understanding of our Chapter's financial position. As a former Commander on the San Diego County Sheriff's Department, I have experience managing a budget of over \$100 million dollars, demonstrating I have the knowledge, skills, and experience to serve as your Treasurer. As a current retiree, I have the time available to devote my attention to timely matters affecting the duties of the position of Treasurer. I believe that I have proven my dedication to the National Academy through my 14 years of membership and the six years that I have served on the California Board

I have enjoyed serving the membership of our Association. I would ask for your vote at the 2019 Annual Retraimer in Newport Beach for the position of Treasurer, allowing me to continue my service to you and our Chapter.

ELECTIONS FOR THE EXECUTIVE BOARD POSITIONS CONT..

From the candidate running for the position of 4th Vice President:

*Captain Randy Goddard, NA 267
Los Angeles Police Department*

I wanted to introduce myself and express my desire to represent the Los Angeles Division as the next Fourth Vice President.

I, like you, have been called to the profession of law enforcement to “Protect and Serve” others. I started my journey as a Law Enforcement Explorer at the age of fifteen and was sworn in as a Los Angeles Police Department (LAPD) police officer three days before my 21st birthday. I have 23 amazing years with the LAPD and now serve as a Captain assigned as the Commanding Officer for West Los Angeles Patrol Division.

While working as a police officer and sergeant, I completed my Bachelor of Arts in Political Science from California State University, Long Beach, a Master’s Degree in Leadership, and a Graduate Certificate in Public Management, both from the University of Southern California.

The pinnacle of my training and education has been graduating from the FBINA, Session 267, in March of 2017. The relationships that I made, and continue to make, from this experience is what makes our association “The World’s Strongest Law Enforcement Leadership Network.” I want to be the bridge to bring more relationships to our great association by bringing back non-active members starting with LAPD NA graduates. Simply put, the more active members we have, the stronger we will all get.

I have been blessed with a wonderful wife of fourteen years and two wonderful kids. I love spending as much time as possible with my family at our lake house and I am dedicated to my Faith.

Thank you for your consideration and I look forward to meeting you at the September conference in beautiful Newport Beach!

Sincerely,

Randy Goddard
