FBINAA California Chapter Newsletter

August 2023

## Message from our 2023 Chapter President— Josh Ehlers

Fellow Alums,

I hope this newsletter finds you doing well and enjoying the summer! I just returned from our national conference in Denver, and I'm happy to report that our association on a national level remains incredibly strong, solvent, and focused on not only continuing to build relationships in our profession, but also providing the highest level of training possible.

It was an absolutely great experience to meet new alums, visit with friends, and meet new colleagues from across the nation and world. If you have not been to a national conference, I would highly encourage you to attend in the coming years. The five days in Denver were filled with world-class training, great family events, as well as a unique opportunity to see a different part of the country. Over 2000 people attended and we were able to support our new Section One Representative, Bill Gardiner, from the Idaho State Police, who was appointed to the National Board.

As we look forward to the remainder of the year, if you are not already planning to attend, I would encourage you to consider going to our **State Conference in Long Beach**. The Conference runs from August 29th through September 1st. It's a great opportunity to network, receive POST certified training and to spend time with friends and fellow alums. Our State Conference has a wonderful line up of speakers and presenters which promises to provide first class training to all who attend, and did I mention the location? If you have never been to Long Beach, now is the time to enjoy the sun and sand along with other alums while getting some relevant and timely training.

It has been a pleasure to serve as your president this year, I have enjoyed meeting and interacting with you at various events and I look forward to seeing many of you in Long Beach!

As we continue to be faced with challenges and changing circumstances, encourage those who work for you to adopt the wellness recommendations and to all of you, please stay safe and healthy, and remember, what we do matters!

Sincerely, *Josh Ehlers*

# CALIFORNIA CHAPTER MEMBERS ATTEND THE HAWAII RE-TRAINER

FOR MEMBERS INTERESTED IN WHAT OTHERS GET UP TO DURING THEIR OFF HOURS:

## California Chapter represented at the Hawaii Chapter Re-Trainer

Several California Chapter members including a few past California Chapter Executive Board members attended the Hawaii Chapter Re-Trainer in Honolulu this June. All are retired and continue to stay active with the NAA.

Left to Right: Ken Tanaka (NA 228) Past Chapter President, Wayne Ikeuchi (NA 182) Past Chapter President, Cris Trulsson (NA 227) Past Chapter Treasurer, Janis Trulsson (NA 224) Past Chapter President, Brian Whitbread (NA 227), Mark Sullivan (NA 214), Mike Kihmm (NA 262), Jim Smith (NA 214) Past Chapter Training Manager. Kneeling front: Tony Levatino (NA 222).

Also while at the Hawaii Chapter Re-trainer, CA Chapter Past President Ken Tanaka met two Hawaii Chapter Past Presidents. ***Interesting fact:*** Ed Ross (seen below in center), became a Honolulu Police Officer before Hawaii became a state. Ed was sworn in as a Honolulu police officer in 1957, two years before Hawaii became a state in 1959. Ed attended the NA in 1967, at that time the current Academy at Quantico had not been built. Ed attended classes in the old Department of Justice building in Washington DC and had the good fortune to meet J. Edgar Hoover twice during that time. Ed remained in the FBINAA and served as Hawaii Chapter President in 1976-77, then served as the Chapter Secretary-Treasurer for 25 years. Ed retired from the Honolulu PD in 1985.

# CALIFORNIA MEMBERS AT THE ASIA-PACIFIC RE-TRAINER

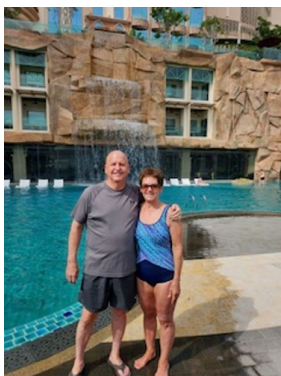

FOR MEMBERS INTERESTED IN WHAT OTHERS GET UP TO DURING THEIR OFF HOURS:

## **California Chapter represented at the Asia Pacific Chapter Re-Trainer in Kuala Lumpur.**

Several California Chapter members including a couple of California Chapter Past Presidents and a former Chapter Treasurer, not only attended the Hawaii Chapter Re-Trainer in Honolulu this June, but went on to Kuala Lumpur and attended the Asia Pacific Re-trainer too! So, if you want to know what the Asia Pacific re-trainers are all about and want to arrange the trip of a lifetime, these are the Chapter members you need to speak to. Obviously a great time was had by all.

Left to Right: Past Presidents Wayne Ikeuchi, NA 182 and Janis Trulsson, NA 224, along with former Chapter Treasurer Cris Trulsson NA 227 and another Chapter member.

Fun times to be had when not in one of the training sessions. Relaxing by the pool or in the pool while sipping a cocktail and listening to the sounds of the waterfall is definitely what we would all like to be doing.

# MESSAGE FROM OUR CHAPTER HISTORIAN

Hello members,

Those members who read my newsletters will know that each year, since it began, I have participated in the Virtual Yellow Brick Road. The proceeds from this event goes toward the Charitable Foundation, which assists our members in times of need. Not only is this event for a good cause, but it provides an opportunity for our members (and friends and family and anyone else who wants to participate) to spend time with each other, contribute towards our fitness regime, experience new places, try new things, motivate us and reunite with classmates.

Last year I flew to Philadelphia to complete the 6.1 miles with a classmate from Session 225 and this year, although not in Philadelphia, both my classmate and I did the course together just on different coasts. For me on the West Coast, where we have had a good amount of rain and snow in the mountains, leading to large amounts of runoff into our lakes, I felt my course should be around one of those full lakes. On this course, which ended up being over the 6.1 miles, but well worth the time and effort, was around Folsom Lake.

I have previously hiked the Johnny Cash trail, also close to Folsom Lake, but this trail took me up hills, in brush, around trees, next to the water and along the levee. If any of our members have participated in the Virtual YBR and want to share their experience, or the trail they took. Please contact me, your Historian.

Downed trees that fell during the heavy rains.

A fork in the road!

Making it to the end of the trail and earning the medal. The medals are beautiful and something proud to display.

# HELLO TO OUR RECENT GRADUATE FROM SESSION 286

One of the fun things about attending the FBINAA luncheons, is meeting old friends and acquaintances and making new ones. At the last Sacramento luncheon, I was fortunate to meet **Ricardo Hernandez, who recently graduated from the National Academy, Session 286**. So let me introduce him.

Ricardo started his career in law enforcement in 2001. Prior to law enforcement he served 4 years in the United States Marine Corps (Hoo Rah), and where he discharged at the rank of Sergeant.

In 2003 he began working for the city of Tracy where he worked patrol until 2011. In 2011 Ricardo worked in the Directed Patrol Unit and in 2012 was transferred to the General Investigations Unit where he began working as a gang detective and then homicide detective. In 2013 Ricardo was promoted to Corporal and remained in the General Investigations Unit until 2016 when he was transferred back to patrol and was promoted to the rank of Sergeant. Then in 2018 he was transferred to the Special Investigations Unit as the supervisor until 2022. In January 2022 he was promoted to the rank of Lieutenant and was assigned as a Watch Commander.

Then, in September of 2022, Ricardo was notified that he was accepted into the FBI NA class 286. He started the Academy in March of 2023 and graduated on June 8<sup>th</sup>, 2023. Ricardo says of his experience, "It has always been a career goal to obtain the highly prestigious training in Quantico. The experience was exactly how it was explained to me and more. I made life-long friends and I was selected to be a part of the International Partnership Program where I shared my experience with my Spanish roommate from the Guardia Civil in Spain. Basilio Sanchez-Portillo is a Lieutenant Colonel in the Guardia Civil and stationed in Madrid Spain. I am humbled to be able to say I attended the FBI National Academy and honored to join the alumni of highly professional individuals."

Ricardo was born and raised in Modesto, CA and is a first generation American. Both of his parents were born in Mexico. Ricardo is married and lives with his beautiful wife and two children in Modesto CA.

Before Ricardo attended the FBINA in 2023, the Tracy Police Department had not had anyone attend since 2008! Ricardo now hopes to be able to start a consistent trend of attendees to the National Academy from the Tracy Police Department. We wish Ricardo all the very best in his career.

# SAN FRANCISCO DIVISION NEWS

## NEWS FROM THE SAN FRANCISCO DIVISION: 2nd Vice President, Scott Savage.

On July 21, the San Francisco Division hosted a lunch meeting in South San Francisco. Approximately 30 people were in attendance to hear the two Youth Leadership Program participants from the San Francisco Division, Isabella Castaneda and Alison Cook, speak about their experiences at Quantico during this year's YLP program. Both young women gave exceptional presentations and their interest in positions in federal law enforcement was solidified by their experience. To no one's surprise, they both enjoyed the explosives demonstration. For the members present it was truly gratifying to see a return on investment, something we don't see enough in this profession.

## CHAPTER RETRAINER APRIL 2024

**FBI NATIONAL ACADEMY ASSOCIATES CALIFORNIA CHAPTER  
2024 RETRAINER CONFERENCE  
April 23-25, 2024**

**SAVE THE DATE**

Please save the date for the 2024 CA State Retrainier Conference, in stunning South Lake Tahoe. We will be among one of the first to hold a conference at the beautiful new Tahoe Blue Center, and stay at the new Margaritaville Resort, just inside California at Stateline. This is a conference you will not want to miss!

**If You Need Even More Reasons to Come**

1. Contemporary Professional Training
2. Networking Opportunities with Classmates & Peers
3. Vendor Exhibition Featuring the Latest Tools & Technology for Enhanced Service Delivery

See You in Lake Tahoe!

For more information, please visit [FBINAACC.com](http://FBINAACC.com)

Both the dates and venues are set for the 2024 Re-trainer. **2024 will be APRIL 23—25, so SAVE THE DATE!** Because of the challenges in hosting an event of this nature in the San Francisco Bay Area, we will be returning to South Lake Tahoe and using two newly built and/or renovated facilities. The host hotel will be the newly reimagined Margaritaville Hotel just on the California side of the California / Nevada border, basically next door to Harrah's. The training will take place in the newly built Tahoe Blue Conference Center, a state-of-the-art facility which is **NOT TO BE MISSED**. This is the facility destined to be home to the new hockey team in South Lake Tahoe.

While the planning for the conference is just commencing, training courses selected will meet two criteria, relevant and positive. In addition to the CA POST certification, we will also be working with our partners in the Nevada Chapter to gain Nevada POST approval allowing those in the Northern Nevada areas an opportunity attend and meet their training needs as well. **Please reach out to your friends across the state line and invite them** as well.

# SAN FRANCISCO DIVISION NEWS CONTINUED...

## CHAPTER RETRAINER CONTINUED...

As is customary, we will be raising funds in support of both the Youth Leadership Program and our annual scholarship program, so it's never too early to solicit silent auction item donations from friends, family, or associates to help maintain these critical functions of our organization.

It is important to note that during the 2024 conference, the election for the 2025 4<sup>th</sup> Vice President from the San Francisco Division will take place. I encourage anyone interested to reach out to me and I will happily detail the duties and responsibilities of the position. It is gratifying to be able to give back to the organization and I encourage you to strongly consider the opportunity.

## UPCOMING EVENTS

We are looking forward to one more regional lunch in the fall and to our annual holiday lunch during the first two weeks of December. Additional information will be forthcoming.
