March 2018

2018 Welcomes a new President

The new year means a new start and for the California Chapter, a new President.

Mike Barletta is a graduate of Session #222 which graduated in 2005. He has been an active member of the FBINAA ever since and was elected to the Executive Board in 2013.

Last year Mike put together a very successful re-trainer at the Hyatt Hotel in San Diego, with a theme of "We Can Be Heroes," the intent aimed at renewing the perseverance and determination needed by law enforcement as we continue to strive through the many trials and tribulations.

Mike's father was a Navy man and the family moved about the Country, finally settling in San Diego where Mike attended San Diego State University, earning a BS in Criminal Justice, a MA in Education and a MPA degree.

In 2015, after serving 30 years and having risen to the rank of Commander, Mike retired from the San Diego Sheriff's Department. As we all know, cops rarely "retire" and Mike is no exception, besides his NA commitments, Mike now conducts contract background investigations and gives back by serving as a volunteer crisis call taker for COPLINE.

Mike and his wife, Anita, have three children and two dogs and in his free time, although it is difficult to see where that would fit in, Mike enjoys model railroading and golf.

"When I graduated from the National Academy in 1967, I had no idea it would give my life meaning more than fifty years later"

VICE PRESIDENT OF THE SAN DIEGO DIVISION

ERIC THUNBERG

"I Eric, do solemnly swear to uphold the Constitution of the United States of America, the Constitution of the State of California and the Constitution and Bylaws of the California Chapter of the FBI National Academy Associates. I also swear to fulfill the duties and obligations of my new office to the best of my abilities, so help me God."

Eric Thunberg (Swearing in, 2017)

Welcome Eric Thunberg

A new 4th Vice President joins the Executive Board for the start of 2018. Eric Thunberg was selected at the 2017 re-trainer in San Diego as the Executive Board's 4th Vice President. Eric replaces Mike Barletta, our current President, who served as San Diego Division's Vice President for the past four years. Congratulations Eric!

Eric has been with the Chula Vista Police Department for nearly 25 years. During that time he has served as a FTO, bike team officer, Mobile Field Force officer, Gang officer and Homicide detective. In 2004, Eric was promoted to Sgt where he worked patrol and later as supervisor for the South County Jurisdictions United Drug and Gang Enforcement Task Force (JUDGE), which is a multi-jurisdictional anti-gang and narcotic task force. Eric was promoted to Lieutenant in 2009 and while in patrol was tasked with revamping the patrol scheduling and deployment plan. This was in addition to managing the FTO program and managing the department's paperless reporting system team. Eric has also served as the SWAT Commander since 2013 and is currently assigned to the Criminal Investigations Division. To top it all, he also serves as the department's PIO.

Eric holds a B.S. degree in Administration of Justice from California Coast University, is a graduate of the Sherman Block Supervisory Leadership Institute Class 241 and graduated from the FBI National Academy in 2014, Session #255.

Eric is a proud 2nd generation native San Diegan, and along with wife Christine, a special education teacher, has two teenage daughters. Eric's favorite hobbies include, fishing, golf and travel. As a native San Diegan, he is a strong supporter of the home-town teams, Padres and SDSU Aztecs, and is fighting the urge to root for the traitorous former SD Chargers.

VICE PRESIDENT OF THE SAN FRANCISCO DIVISION

CRAIG CHEW

Craig began his career in law enforcement in 1988 at the Berkeley Police Department, where he worked in the patrol and narcotics divisions and eventually became a field training officer. He later lateralled to the Oakland Police Department where he worked as a K9 officer and a background investigator.

While working as an Oakland Police Officer in 1991, Craig was himself the victim of a violent crime. He was shot five times while attempting to stop robbery suspects and spent eleven months recovering from his injuries. Consequently, this has given Craig a unique insight into the victim's experience and has provided him with a greater capacity to understand the compassion needed from law enforcement officers when dealing with victims and their families.

Since 2001, Craig has been an Inspector with the Alameda County District Attorney's Office. He was selected to attend the FBI National Academy, graduating in 2012 from Session #248, and was promoted to Assistant Chief at the District Attorney's Office in 2014.

Craig currently serves as the 3rd Vice President of the FBI National Academy Associates – California Chapter, representing the San Francisco Division, and is the Secretary of the Oakland Police Foundation. Previously, he served on the 21st Century Policing Committee under then-Attorney General Kamala Harris. He holds a Bachelor of Liberal Arts (Law) from St. Mary's College, Moraga, and is currently studying for his Master of Organizational Leadership at St. Mary's College.

You can contact Craig at: fbinaa.sf@gmail.com

PAST PRESIDENT IS THE NEW CHAPTER SECRETARY

MAX SANTIAGO

“I am proud to be a member of the FBINAA and the California Chapter”

Max Santiago

Max is a graduate of the FBI National Academy 214th Session. He is very active in the Chapter and previously served on the FBINAA California Executive Board from 2011 to 2016, serving as the Chapter President in 2015.

Max brings to the Board an enormous amount of experience, he is retired from the California Highway Patrol with over 32 years of law enforcement experience. In addition, he is also a veteran of the Persian Gulf War. Max proudly served our nation in the California Army National Guard and in the U.S. Army Reserve for over 21 years as a Military Police Platoon Sergeant and a Special Agent in the U.S. Army Criminal Investigation Division (CID) Command.

Max is married with three children, or should we say, young adults. Max's hobbies are wine tasting (of course, he has three children!), BBQing (another excellent hobby and makes him worthy of a visit) and photography (who doesn't love a Kodak moment!).

Max now serves as your Chapter Secretary and is your point of contact for any issues regarding your membership. You are encouraged to contact Max at 858-461-9968 or at maxie.santiago@gmail.com if you need any assistance with renewing your membership, receiving Division and Statewide notifications of FBINAA events, or just simply have a question about the FBI National Academy Associates (FBINAA).

MEET OUR HISTORIAN

GINA HAYNES DI NAPOLI

*“I came to America
swapping my skirt and
purse for a pair of
pants and a gun”*

Gina Haynes

Hello! Let me introduce myself, I am your Chapter Historian for 2018 and for the last three years I was fortunate to serve as your Secretary. I graduated from the National Academy in 2006, Session #225 and have been a member ever since.

I was born in England and began my law enforcement as yes, a Bobby! I had an interesting career and had the opportunity to work with New Scotland Yard on a case involving a teen who had killed a 10 year old and hidden the body in a suitcase. After an intense investigation the suspect, who is still serving time, was found.

Coming to America I continued my law enforcement career and joined the Sacramento Police Department where I attended their live-in police academy and graduated as “Top Academic Student,” not easy when you are having to relearn how to spell and speak. It took me a whole lesson to figure out “Ride-a-way” was actually “Right of Way” and what a relief to learn that doing a “roast” did not involve cooking!

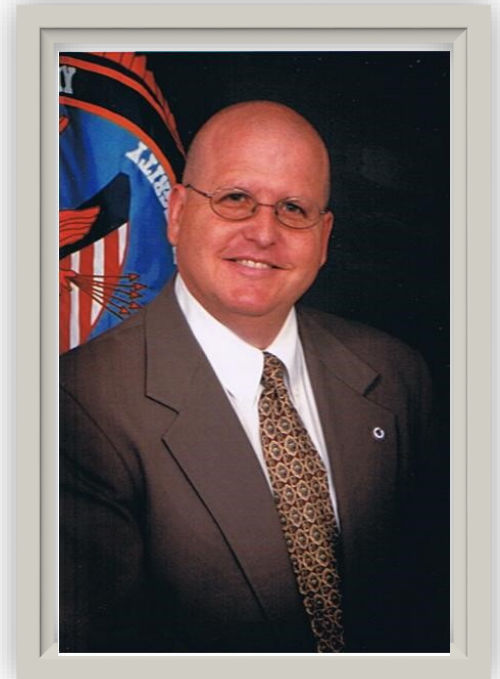

I continued my education, earning a B.A. and later a MSc at the University of Portsmouth in England. I have had a full and varied career, working patrol, homicide, felony assaults, burglary, robbery, family abuse, elder abuse, background investigations, personnel, traffic, air operations, major collision investigations, DUI, to name but a few. Interesting courses I attended include; the Center for Domestic Preparedness in Anniston, Alabama, the Federal Emergency Management School (F.E.M.A.) and the Airborne Law Enforcement Association (ALEA) Management Training in Arizona. I am also a graduate of the Peace Officer Standards and Training (P.O.S.T.) Command College and the Executive Development Course, this is in addition to being a lifelong member of the International Association of Women Police (IAWP) and a long-standing member of the International Police Association (IPA). I retired as a Lieutenant at the end of 2013 and still serve as a Reserve Officer working special events.

I enjoy traveling and have attended many of National and our Chapter Conferences. The conferences are always in “cool” places where can experience the sights, learn new things and re-connect with friends and classmates. I am also in Europe every year as I have family in the UK and Italy, if you have never been, I strongly encourage it and would be happy to share my knowledge of the Countries.

In my spare-time, I co-chair a Domestic Violence Prevention Collaboration, teach on the subject of Sexual Harassment and give talks to various groups. My hobbies are numerous; I read, ski, hike, take pictures, scrapbook and write about people. So, if you have an interesting hobby/life/career or have an interesting family or a family with interesting connections or have done something out of the ordinary, i.e. met the Pope/President/Queen, please contact me so I can write about it . . . I know there are many of you out there who have had interesting careers and we would all love to read about it. I can be contacted at: Ginabrit@aol.com.

Cris holds dual Bachelor's Degrees in Law and History from the University of the Pacific. He is also a graduate of the F.B.I. Law Enforcement Executive Development School (LEEDS Session CA II), the POST Supervisory Leadership Institute (Class 118) and the POST Instructor Development Institute.

Los Angeles Division News

It has been a somber winter for the Los Angeles Division as the many wildfires, particularly the unprecedented Thomas Fire, followed by the devastating Montecito mudslides have impacted many of our communities and brought new challenges to many of our NAA brothers and sisters. Please keep those communities in Ventura and Santa Barbara Counties in your thoughts as the long road to recovery begins.

On December 15th, the Los Angeles Division capped off 2017 with our holiday luncheon at Dodger Stadium, the home of the National League champion Los Angeles Dodgers. We had over ninety (90) attendees that enjoyed a buffet lunch in the Ketel One Baseline Club that, YES, included unlimited Dodger Dogs. The new ADIC of the FBI L.A. Field Office, Paul Delacourt, joined us and shared some words about his vision moving forward and the Bureau's relationship with the FBINAA. The event was topped off with a behind the scenes tour of the stadium that everyone seemed to enjoy (Even a few rogue Giants/Padres fans that slipped in . . .)
