SCAN TO BOOK YOUR TATTOO

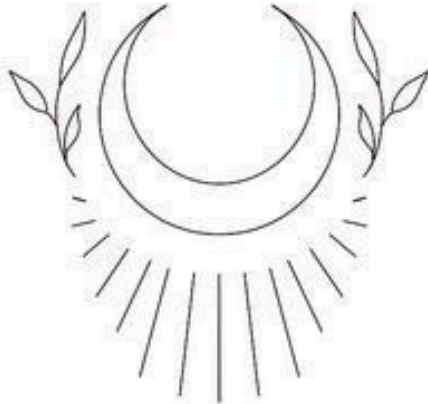

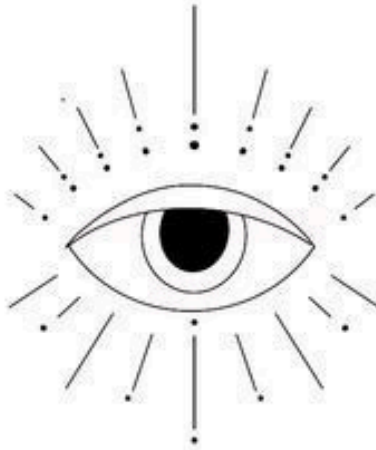

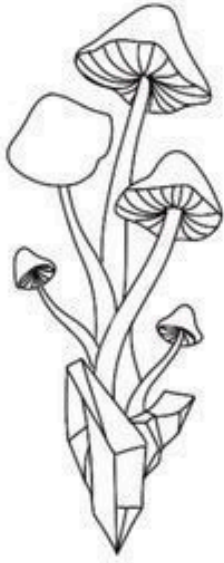

### How Much Is It Going to Cost?

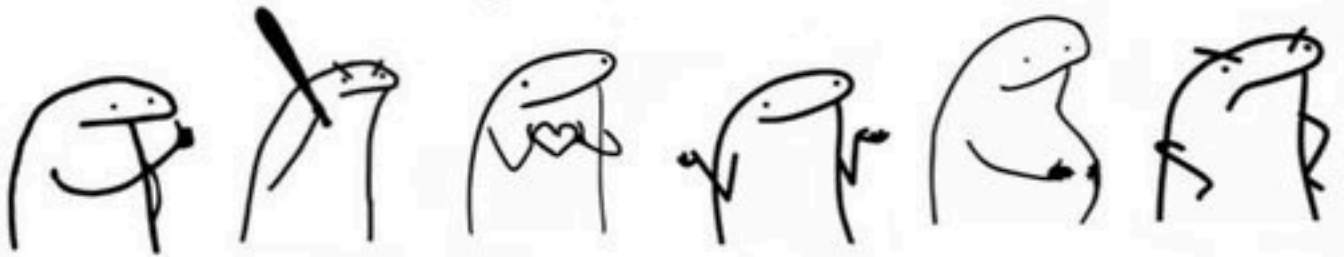

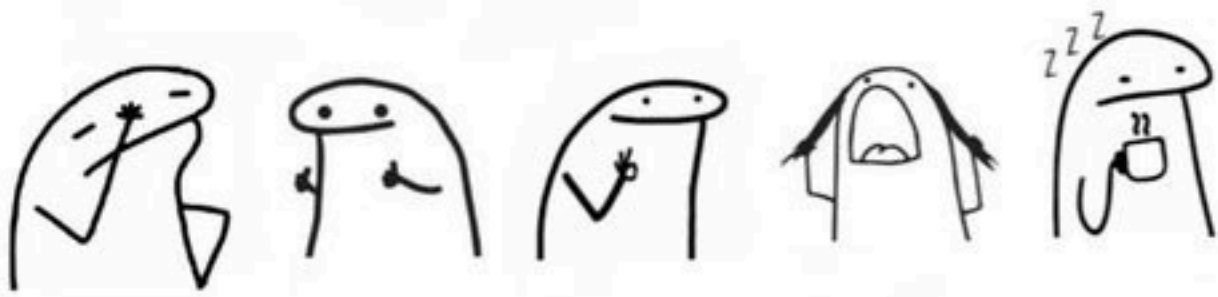

When it comes to tattoos, you get what you pay for. Yes, there are plenty of people tattooing out there that will charge very little. But, look for quality, and be willing to pay for it. Never haggle over the price of a tattoo. It is disrespectful to the artist. Think of it this way: This is a piece of art you'll wear for life. @ubinktattoos
