

Desperado

Capo 2

Despe-rado why don't you come to your senses

You've been out ridin' fences for so long now

You're a hard one

I know that you've got your reasons

These things that are pleasin' you

Can hurt you some how

Don't you draw the queen of diamonds boy

She'll beat you if she's able

The queen of hearts is always your best bet

Now it seems to me that some fine things

Have been laid upon your table

But you only want the ones that you can't get

Despe-rado you ain't getting no younger

Your pain and your hunger

They're driving you home

And freedom well that's just some people talking
Your prison is walking through
This world all a-lone

Don't your feet get cold in the winter time
The sky won't snow and the sun won't shine
It's hard to tell the night time from the day
You're losing all your highs and lows
Ain't it funny how the feeling goes a-way

Despe-rado why don't you come to your senses
Come down from your fences open the gate
It may be rainin' but there's a rainbow above you
You better let somebody love you
Let somebody love you
You better let some-body love you
Be-fore it's too late
