

Do They Know Its Christmas

It's Christmas time, there's no need to be afraid
At Christmas time, we let in light and we banish shade

And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmas time

But say a prayer, and pray for the other ones
At Christmas time it's hard,

But while you're having fun
There's a world outside your window
And it's a world of dread and fear

Where the only water flowing
Is the bitter sting of tears

And the Christmas bells that ring there
Are the clanging chimes of doom

Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmas time
The greatest gift they'll get this year is life, Ohhh
Where nothing every grows
