There's a <sup>G</sup> loving in your <sup>D</sup> eyes all the <sup>G</sup> way

If I listen to your <sup>D</sup> lies would you <sup>G</sup> say

I'm a <sup>C</sup> man without con-<sup>D</sup> viction

I'm a <sup>C</sup> man who doesn't <sup>D</sup> know

How to <sup>C</sup> sell a contra-<sup>D</sup> diction

You come and <sup>C</sup> go

You come and <sup>Em D</sup> go

<sup>G</sup> Karma karma karma karma <sup>D</sup> karma chamele-on <sup>Em</sup>

You come and <sup>Am</sup> go

<sup>G</sup> Loving would be easy if your <sup>D</sup> colours were like my <sup>Em</sup> dream

Red gold and <sup>Am</sup> green

Red gold and <sup>G D</sup> green

<sup>G</sup> Didn't hear your wicked <sup>D</sup> words every-day <sup>G</sup>

And you used to be so <sup>D</sup> sweet I heard you <sup>G</sup> say

That my <sup>C</sup> love was an ad-<sup>D</sup> diction

When we <sup>C</sup> cling our love is <sup>D</sup> strong

When you <sup>C</sup> go you're gone for-<sup>D</sup> ever

You <sup>C</sup> string along

You <sup>Em D</sup> string along

<sup>G</sup> Karma karma karma karma <sup>D</sup> karma chamele-<sup>Em</sup> on

You come and <sup>Am</sup> go

You come and <sup>G D</sup> go

<sup>G</sup> Loving would be easy if your <sup>D</sup> colours were like my <sup>Em</sup> dream

Red gold and <sup>Am</sup> green

Red gold and <sup>G D</sup> green

<sup>C</sup> Everyday is like sur-<sup>Bm</sup> vival

<sup>C</sup> You're my lover not my <sup>Em</sup> rival
