

# I Need a Drink

Words and Music by Davy Thompson

## Verse 1

When my shadow reminds me of pain from the past  
That's when Your shadow brings me a peace that will pass all I understand, Lord  
let your wave be what carries me home.

## Pre-chorus

Be my overflow be my strength through it all  
Everywhere I go I'm beneath waterfalls of Your love, love, love!

## Chorus

I need a drink  
I need a drink from the well  
I need a drink from the well that never will run dry

## Verse 2

With You I'm safe in the middle of the storm  
While I wait there's a curtain being torn  
And the last thing I need is cup that just keeps running dry

## Bridge

Every prodigal dog has its day  
Through the mud and my muck  
Keep me out of my way  
I once was an orphan but now you have called me your son.

## Verse 3

As I walk through the valley of death skin and bones, I refuse to keep living on just bread alone, may Your living water resurrect my soul
