

Dance Series Pre-Paid Card Information

Colonial Dance Club of Richmond & Richmond Renaissance Dancers

Henrico County generously supports our club by providing access to the ballroom at Belmont Recreation Center. To help cover additional club expenses, we ask each attendee for a contribution of \$2 per adult and \$1 per student (elementary to college) when attending a dance session.

County regulations prohibit collecting money on site at Belmont; therefore, we are asking participants to utilize the form below to purchase pre-paid sessions.

Payment may be made by check or Zelle as detailed below.

Please do not bring cash or check to the facility.

COVID-19 Regulations

Everyone is expected to follow Henrico County Regulations. We strongly encourage all dancers to be fully vaccinated for COVID-19 and to maintain the vaccination with timely boosters, but we will no longer mandate that as a condition of dance participation beginning May 11, 2023. Please stay home if you have a fever or if you are not feeling well. **By attending this event, I affirm that I understand there is a risk of COVID-19 virus exposure and acknowledge I am dancing at my own risk.**
