### COVID-19 Regulations

For those who are **fully vaccinated**, masks are recommended but not required. Fully vaccinated means the second COVID-19 vaccine injection will have been received 14 or more days before the event (by Oct 22). Booster shots are also strongly recommended. Individuals (5 years and older) who are **NOT fully vaccinated** must continue to wear a face mask and, while they are welcome to attend and learn by watching, they may not join in the dance. Despite adherence to these guidelines, there is still a risk of COVID-19 virus exposure. In addition, changing conditions may require modifications to these guidelines prior to the event.
