

# Who We Are

# VKare Domiciliary Services Care Givers You Can Trust

We are a CQC-registered domiciliary care agency specializing in the provision of care and support with daily living for elderly adults in the comfort of their own home. Whether you need daily or weekly assistance due to aging, illness, recovery, or rehabilitation, our caregivers will provide an individualised service that you can trust.

The aim of **VKare Domiciliary Services** is:

"To provide a high standard of care and support to every Service User" VKARE Domiciliary Services' primary objective is to provide nurturing and compassionate care and companionship which both enables and encourages each client to remain independent in their own homes, at times convenient to them and in ways they find most suitable. The scope and duration of our service provision aims to support this, in line

with an assessed and agreed personal plan of care. We aim to work with you to provide a service which you value highly, which helps you to live as independently as possible and which allows you as much control and choice as possible over your lifestyle. Our objective is to work in partnership with everyone involved in your care.
