

KITTY SOUP

1/2 C. dry cat food (any kind will do but my cat, Mr. Mazel, prefers Delicat)
1 C. warm water
dash of salt

Put the dry cat food into a sauce dish. You could put it in his regular bowl, but that wouldn't be special.....like having a separate bowl. Pour the warm water over the cat food to make a broth. Sprinkle lightly with salt. More water can be added as broth gets low. Enjoy! Meow!!

Rachael and Mr. Mazel Muenchow
