

I Wonder Guidelines...

- Select a topic that has you wondering (ex. I wonder if you can blow a square bubble? I wonder what are the top 5 fastest rollercoasters?)
- Research your topic online or by reading books about your topic from the library or watching videos about your topic from teacher approved sources (Be sure to record what resources you used to gather facts about your topic)
- Select a method to share your information with the class (ex. Powerpoint, Bunccee, poster, etc.)
- Your presentation must include:
 - * a title
 - * 5-10 interesting facts about your topic written in complete sentences
 - * graphics (pictures that relate to your topic) with captions
 - * a bibliography or list of resources used to research your topic
 - * credits—a list of researchers involved in the project
 - * function over form with meaningful information present along with a crisp and well designed visual aid
 - * evidence of proofreading resulting in correct grammar and conventions throughout the presentation
