

WIRE SHELVING

CHROMATE WIRE SHELVING

- Heavy-gauge chromate plated shelves with open wire design minimize dust, improve air circulation and provide greater visibility of stored items
- Post's circular grooves combined with tapered plastic split sleeves allow for assembly in minutes with no special tools
- Shelf ribs run front to back allowing items to slide on and off shelves smoothly
- Shelves can be adjusted at precise 1" intervals
- Posts are double grooved every 8" and numbered for easy adjustment
- Adjustable feet compensate for surface irregularities
- Stationary unit's total capacity should not exceed 2000 lbs.
- Assembly required

KLETON

**Kleton wire shelving can be assembled as you wish:
End to End, at Right Angles or any combination.**
