ABOUT US

Mr. Ranjit, the visionary entrepreneur, embarked on his life journey in India, and in 1997, he took a significant step by relocating to Canada. In 2005, he ventured into the real estate business, showcasing his innate business acumen and market understanding. The year 2010 marked the beginning of his foray into the grocery store industry, where his commitment to quality and community engagement earned him a prominent place in the market. Eight years later, in 2018, he ventured into the world of real gold trading, showcasing his adaptability and passion for precious metals. Notably, his gold mining operations in Konga and Kenya reflected his dedication to ethical sourcing and responsible business practices.
