### Paramedic Job Description

**Job Title:** Paramedic / Firefighter Paramedic

**Salary:** \$22-\$29 an hour Based on Certifications and experience (53 hour work week)

**Benefits:** Comprehensive benefits package including health insurance, retirement, wellness programs, vacation time, sick time, continuing education support, and uniform allowance.

**Reports To:** EMS Chief, Chief Officer, or Fire Chief

**Supervises:** EMT and AEMT crew members on EMS calls

**Employment Type:** Full-Time (48/96 Schedule)

### Overview

We are seeking motivated, skilled **Paramedics** with a passion for public safety, teamwork, and service. This dual-role position offers **firefighter training and certification after hire**, making it ideal for paramedics looking to expand their career into fire services if an employee does not already have these certifications. Pay increases come with fire certifications. A candidate with fire certifications prior to applying is highly encouraged but not mandatory.

As a Paramedic/Firefighter, you'll deliver **Advanced Life Support (ALS)** in high-pressure situations, respond to fires and other emergencies, participate in prevention efforts, and contribute to a professional, supportive team environment. Our department places a strong emphasis on **safety, mental wellness, training, and career development**.

### Minimum Qualifications

#### Education

- High School Diploma or GED required

#### Licenses & Certifications (Required at Time of Hire)

- Utah Paramedic Certification or National (NREMT) Paramedic Certification \*must obtain Utah Paramedic Certification prior to first shift
- Valid Utah Driver's License
- Pediatric Education: EPC, PEPP, PALS or Handtevy
- Advanced Cardiac Life Support (ACLS)
- Basic Life Support (CPR) – AHA Provider

#### Licenses & Certifications (Required Within 1 Year of Hire if not already possessed)

- Utah State Firefighter I & II (IFSAC or ProBoard)
- Utah Hazardous Materials Awareness & Operations
- NWCG Wildland Firefighter Certification
- NWCG S-270 and S-290 Courses

### Preferred Qualifications (not required)

- ACLS Instructor
- EPC, PEPP, PALS or Handtevy Instructor
- BLS CPR Instructor
- Associate or Bachelor's Degree in Fire Science, EMS, or related field
- Utah EMS Instructor, Training Officer, or Course Coordinator
- PHTLS and AMLS Certifications

### Hiring Process Requirements

Applicants must successfully complete:

- New hire paperwork including proof of certifications
- Physical exam and drug screening
