Membership Process: The membership process includes the 1st reading of your application at our general meeting. This is a chance for potential members to meet the members of the club and share something about themselves and their dogs. The 2nd reading will occur at the following month's general meeting and the members will be asked to approve your membership request. After a vote and approval for membership, you will have all the privileges of an active member. Your sponsors will be your mentor and advise you on how to participate in the club activities.

Members should: Attend meetings, participate in a committee(s), and actively support club events. Members have voting privileges and can earn DTCT Bucks to help offset the cost of classes and trials.

Membership Cost per Year:

1. Single - \$25.00
2. Family - \$35.00

Committees: The DTCT sponsors various events throughout the year, such as agility, obedience, and rally trials, seminars, run-thru's, and other training events. The proceeds from sponsoring each event pay for our facility (rent, utilities, equipment purchases & repairs.) We could not operate or continue to maintain the highest quality dog-training program in Tampa without the proceeds from these events. We must rely on our club members to volunteer their time to work at these events. **By becoming a club member, you are agreeing to participate and work at the show trials and join a committee for DTCT.**

DTCT Bucks: DTCT Bucks are earned by doing work for the club. This would include working on a committee, working at the club, or working in Agility or Obedience Trials. All jobs are part of a weighted system. Jobs earn between 1 and 4 DTCT Bucks per hour, they have a 1:1 ratio. DTCT Bucks can be used towards discounts in purchasing drop in cards, classes, non-AKC agility trials, and obedience trials, up to 50% of the total cost. For AKC Agility Trials, members will only be required to pay \$5.00 per run, and the remainder could be paid in DTCT Bucks that you have earned.

Do you agree to actively participate and work at shows, trials or committees at the DTCT?
