**Games III** - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

### Game Descriptions

**Dare to Double** is a dog's-choice game. The objective is to score as many times as possible, repeating a doubling obstacle on course (traditionally the A-frame) as many times as possible. The dog must stop before course time elapses or be penalized. Dare to Double is scored Points, Then Time.

**Blackjack** is a dog's-choice game in which the dog is directed to accumulate 21 points in the fastest time; going over 21 points disqualifies the team. During point accumulation the dog must score at least one obstacle from three obstacle types. Blackjack is scored Points, Then Time.

**Truth or Dare** provides each team with the opportunity to run a course that plays to their strengths, with elements of strategy, course planning, and time gambles. *Truth* – The team runs either the numbered course, or *Dare* – The team runs a dog's-choice course. The objective is to accumulate as many points as possible in the time allowed.

**Touch 'n Go** is a course of contact obstacles and tunnels only. The handler must direct the dog to perform the obstacles in the order specified by the judge. All the handler has to worry about is the dog touching the contacts and staying on course. Touch 'n Go is scored Faults, Then Time. The dog with the fewest faults will win. Time is a tiebreaker only.

**Four Leaf Clover** is a game in which obstacles are arranged in a pattern resembling a four-leaf clover (or, as often as not, a three-leaf clover). The dog earns bonuses for performing the leaves of the clover while the handler stays in the middle. Four Leaf Clover is scored Points, Then Time.

**For more information on these games the *Book of Agility Games* is available for a modest price; please visit: <http://dogagility.org/Newstore>. Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.**

## Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. TDAA height divisions are:

- 2" jump height: for dogs measuring 4" or less at the withers (or with body type or veterans exemptions)
- 4" jump height: for dogs measuring 8" or less at the withers;
- 8" jump height: for dogs measuring 12" or less at the withers;
- 12" jump height: for dogs measuring 16" or less at the withers;
- 16" jump height: for dogs measuring 20" or less at the withers.

**ALL DOGS WITHOUT A PERMANENT HEIGHT CARD** must be measured prior to the first day of competing at this trial. arrive early enough to accommodate measuring.

**TWO MEASUREMENT BY TDAA JUDGES** are needed to show a dog in the TDAA without requiring measurement.

### **For Exhibition Only (FEO)**

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

**Disabled Handlers:** A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

## How the Fast Track Program Works

This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

## Entries

Entries close at May 31, 2019 at 6:00 pm, after which time entries cannot be accepted, canceled, altered or substituted. Day of Event Entries **WILL BE** accepted **up and until 9:00 am** each morning, for \$14 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

Entries will not be accepted without fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry forms. One dog per entry form.

**Photocopied entries, without the signed TDAA Agreement attached are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 service charge for any returned check(s). Subsequent returned check(s) from the same Exhibitor may result in their being put on a CASH ONLY basis.
