We've automatically enrolled you! Simply click the link below to activate your account and begin making payments online.

Through this new platform, you can view your balance due and make individual or automatic recurring payments online by e-check from a bank account **at no cost** and by major credit or debit card for a nominal fee.

If you're not set up for recurring payments but need to make a payment before August 15th, please drop off your payment to your respective building manager's office, call PayLease at 866-729-5327 in order to make a direct debit or credit card payment or mail your payment as you have in the past.
