Dear Future Sponsor:

Rodeos have been a long standing tradition throughout rural America. Rodeo has become a popular entertainment venue, but unlike other sports, rodeo started in the roots of real Western life. Sadly, our culture and economy has shifted over the last couple of centuries. The American West continues to dwindle and “true” cowboys are few and far between. Rodeos are one of the few remaining ways that people have access to cowboy culture.

The Choctaw Round Up Club, in conjunction with Rockin’ R Rodeo Company, will host their annual IPRA rodeo on August 13th and 14th, 2021. This community rodeo is an annual event that has gone on for over 50 years and we could not continue to carry on the “Cowboy Tradition” without the help of people like you.

We know businesses such as yours are targeted every day to do sponsorships. We are once again asking for your support for this Rodeo and the Community to continue this annual tradition. There are several sponsorship packages to choose from and all sponsors will receive advertisement in our program book, Facebook page and will be announced during the rodeo. If you do not see anything that fits your needs, please let one of our representatives discuss what we can do for you.

Thank you for your time. We hope you will continue to support our traditional American rodeo. Doesn’t everyone want to be a cowboy?

Sincerely,

Janet Prine, President
Choctaw Round Up Club
