Message from President James Arthur Becker

Compatriots - Warm wishes to you and your families.

Our chapter has continued to grow. The idea of making the George Washington Birthday celebration a more gala event resulted in a project. The chapter officers examined the concept that there are other patriotic organizations who are celebrating this event by themselves and it would benefit us all if we could all celebrate together. We tested this concept by talking with the president or leaders of these other organizations and discovered that it was something they were interested in doing. Then we assembled a plan for such a celebration to take place in Raleigh on Saturday, February 11. This should be the largest attended event the Raleigh chapter has ever hosted. We appreciate your support and know that your attendance will help us to evaluate this type of undertaking. Your feedback is appreciated.

The Raleigh Chapter is joining with the North Carolina Museum of History in holding a public ceremony formally recognizing our first African/American member on February 25, 2012. General Gorham from the North Carolina National Guard is to be a keynote speaker at this event. Our new member Chaz Michael Moore will provide history pertaining to his Patriot ancestor Toby Gilmore. Toby earned his freedom serving as an Aide to General George Washington during the General's service in Massachusetts. Toby Gilmore was personally recognized for his service by General George Washington. The DAR genealogists Hollis Gentry and Eric Grundset are coming from Washington, D.C. to participate in this program. Eric Grundset is the author of "Forgotten Patriots" and was assisted by Hollis Gentry in the research for this book. This DAR book is scheduled to be added to their Web site. The DAR genealogists had learned about Toby Gilmore and were anxious to participate in this rare event. Approximately 15 % of the Revolutionary force was recruited from the slave population. They earned their freedom as we fought shoulder to shoulder during the conflict. There are many other minorities who fought for the Revolution and did not stay in the Continental United States. Both the DAR and SAR have an obligation to maintain the actual history of the Revolution and not allow it to be distorted.

As the North Carolina Registrar, I have seen many applications where the correctness of the linage could not be proved from public record. Many of the Indian, Hispanic, and African/American patriots are potentially difficult to trace. However, in all instances it is important to attempt to trace. The knowledge of the linage and the family' participation in our history needs to become known and respected. We have learned to be grateful for the participation we received and need to acknowledge our lack of capacity to correctly identify those who participated. The Forgotten Patriot needs to be recognized for his service so

that we do not forget the Patriots who fought shoulder to shoulder with our patriots. It is not just their loss for not being able to connect, but our loss for not being able to connect with our fellow compatriots. This event allows us to respect a portion of our National Heritage that must become more widely known and respected. Our genealogical standards were established to keep the membership rolls correctly honored. Unproven claims need to be respected.

A copy of our Raleigh Chapter Phone Book in a new format as a double-sided one page document is included in this newsletter for your use. If you receive the newsletter electronically, this version can be filed in your computer. This is inexpensive to produce and I hope it is successful. This format will be annually updated. We will have the previous type of phone book produced, if there are sufficient request. We had only updated them every two years.

The Chapter has discontinued the Gatton Essay in response to Mary Gatton request that we return her \$10,000.00. As a 501 (C) (3) organization we operate under the federal tax exemption provided to our National organization. We have agreed to return the \$10,000.00 if it is legal to return it. We have requested permission from National regarding this matter and it has been referred to their legal counsel. Permission to return this money may not be legal. The current position of the chapter has been formally discussed by letter with Mary Gatton. Mary Gatton has communicated that she is pleased with our intensions.

We are very proud of the Color Guard activities our Chapter has added during the past years. Our new Secretary, Michael Taylor has suggested that we form a Blue Blazer Brigade to march with our Color Guard. We expanded our Color Guard by this dress and marched with them in the Veterans Parade in Raleigh in November.

With my most humble regards,
Compatriot James Arthur Becker

SAR ceremony honors men with strong Warren County ties

Wednesday, October 26, 2011 By Luci Weldon, The Warren Record

Bright autumn foliage provided the backdrop Saturday as the Halifax Resolves Chapter, North Carolina Society, Sons of the American Revolution (NCSSAR) honored Private Burwell Davis, patriot, and Compatriot David R. Koontz during a grave marking cemetery at Shady Grove United Methodist Church in Inez.

The event took on an atmosphere of a family gathering as local residents joined a number of Davis and Koontz descendents for the afternoon ceremony. Making the day even more special was the close connection between the two families that was formed through the marriage of the former Sarah Davis, a direct descendent of Burwell Davis, to David R. Koontz.

As the ceremony began, Ken Wilson, president of the Halifax Resolves Chapter NCSSAR, welcomed those attending and expressed appreciation to the NCSSAR and North Carolina Society Daughters of the American Revolution representatives who were present.

Dr. Samuel C. Powell, member, National Executive Committee, National Society SAR, past president NCSSAR and Burwell Davis descendant, urged those present to remember those who served in the American Revolution as people who fought for their country.

"We honor those who fought and died," he said. "They are also veterans. They served the United States."

Powell outlined the life of Burwell Davis, who was born Aug. 14, 1756 in what was then known as Granville County (now Warren County).

At the age of 22, he was drafted to serve in the North Carolina Militia under the command of Captain Barton Harris, and was assigned to a regiment of the militia commanded by Colonel Thomas Eaton and General John Ashe.

Powell encouraged those attending to imagine Davis marching from Warrenton on a route that would take him and the rest of the regiment to South Carolina and Georgia.

Davis participated in the Battle of Briar Creek before being discharged, but was again drafted in March 1781 before the Battle of Guilford Courthouse. He was under the command of Colonel Thomas Alston, the Marquis Francis de Malmedy and Colonel Charles Eaton.

Davis marched to the area of Guilford Courthouse, but did not participate in battle. After marching to Ramsey's Mill and South Carolina, he was discharged again.

Davis married Martha "Patsy" Hawkins in Warren County in about 1783. They had seven children.

Davis died on Aug. 11, 1846, four days short of his 90th birthday. A marker celebrating his life was erected in the church cemetery at Shady Grove.

Not far from the marker honoring Davis is the grave of David Reynolds Koontz, who was born Oct. 26, 1929 in Lexington.

He served as a past president and chaplain of the Alamance Battleground Chapter of the Sons of the American Revolution and was a past historian and genealogist emeritus of the NCSSAR.

Koontz was a member of the Wake County Historical Society and a trustee of the Cherry Hill Foundation in Inez.

His genealogical research primarily focused on Warren and Davidson county families, and he was instrumental in locating and obtaining the early German records of Friedens Lutheran Church. Koontz published "Johannes Kuntz Family" in Davidson County, and transcribed and edited "Early Pilgrim German Records" for Leonard's Church.

Koontz died Feb. 20, 2008 in Burlington.

Powell described Koontz as the one who invited him to join the SAR and helped him with the genealogical research needed to complete the application.

"He inspired my love of genealogy," Powell said. "He found (family) history back to the American Revolution and before, but much more, he was a good friend."

Powell fondly remembered traveling with Koontz a number of times on SAR business.

"We miss him very much," Powell said.

He remembered Koontz as a U.S. Army veteran of World War II and a Mason for 55 years.

Powell described the placement of the markers at Davis and Koontz' graves as a way to honor their lives.

A Note From Our Chaplain: "Communicate to facilitate" camaraderie and bond our Chapter's membership! As your Chaplain, I solicit your help regarding our members' well being. The more we "care and share", the stronger we become and the more enjoyment we derive. Our secretary keeps our roster updated, but I request that you advise me of changes of address and of phone numbers, illnesses, deaths, etc. of any of our members, their spouses and family members so that our concern can be expressed. All too often when there are needs, they are not met because I am not aware. Help me help us to become more vibrant. Chaplain Paul B. Conway (phone 919-787-9458)
