

# SILENT AUCTION RULES

- Please observe bid increments. Bids less than the posted increment may be deemed invalid. The highest qualifying bid when the auction closes will win.
- Please be sure to write in your bidder number and phone number.
- Bids may not be withdrawn, lowered or crossed out once made.
- If you want to “Buy it Now” put the Buy it Now bid amount on the line with your bidder number and phone number, and cross out the rest of the page. You got it and cannot be overbid!
- All sales are final. No exchanges or refunds.
- We have done our best to describe each item and to note any conditions; however all items are sold “as is”. If you have questions about an item please inspect it and feel free to question the volunteers who are working the event. All items have been donated to FOTL.
- Your purchase is tax deductible only to the extent that your payment exceeds fair market value of the item.
- Payment must be made in full by check, cash or credit card no later than 4:15 p.m. Failure to pay may result in the item being offered to the bidder with the next lower bid.
- All purchased items must be taken after the auction closes. We cannot store or deliver items. Anything left will be considered a donation.
- All decisions by the auction chair are final.
- Auction tables will close in increments, starting at 1:00 p.m. No additional bids can be made after an auction table closes.
- FOTL reserves the right to change an item from silent to live auction at any time.
