Advanced Skills and Tactics .....\$700

The police sniper needs to become and remain a student of his art, always seeking to improve his knowledge and skills. Gone are the days when a police officer can be handed a rifle, taught to shoot bullseyes, and be designated "marksman." The true police sniper needs to be continually challenged to learn and excel at his trade. He needs to master skills which will prepare him mentally and physically for his job in the field. He needs to be exposed to new ideas, tactics and techniques. This class will give him access to all of this and more. Here, he will take the next step in his sniper education.
