**Happy New Year!  
Dive into 2026!  
Meeting at 1pm  
Tuesday, Jan 13**

**Board meeting at 11am**

#### **FROM OUR PRESIDENT**

*Happy New Year!*

Now that the festivities of year's end are over and we're settling into winter, it's time to watch the snow fall and look forward to spring and all those beautiful daffodils!

As you know our meetings are always open to the public, but in January we make an extra effort to encourage our friends and partners to join us, so please bring a guest! We also try to have native wildlife featured in January - this time we'll learn about coyotes. This month brings the return of a speaker who hasn't come to see us for quite some time, a long time WGC member heard Chris Schadler speak elsewhere last year and emailed her information to me with a request to invite her to speak again. I was happy to oblige and I'm looking forward to learning more about one of the most misunderstood predators in our ecosystem, I hope to see you there!

#### **OUR JANUARY PROGRAM**

## **Coyotes, Wolves and Coexistence Program for January**

Conservation biologist Chris Schadler will discuss the Eastern coyote, a uniquely Northeastern animal, shaped by both Western Coyote ancestry and Eastern Wolf DNA, her talk will explore the coyote ecology behaviors and what coexistence with wildlife means in our region. The program will also touch on the possible return of the Eastern Wolf and how people, coyotes, and wolves may share the landscape.

Bring your neighbors and friends, open the public!

**Tuesday, January 13 at 1PM @ All Saints Church.**

## **Dec. 2025 Workshop from Deborah Long Smith**

We achieved our goals:

Creative

Frugal

Fun

Charitable Donation to Food Pantry

Approximately 30 members attended this workshop and contributed to the abundance of supplies. The amazing arrangements produced ran the gamut from small to large and were all beautiful. The feedback was overwhelmingly positive, and members requested we do it again next year.

A big thank you goes to **Kurt DeVylder** for donating the balsam and **Bobbie Stave** for collecting it. Leftover greens were donated to All Saints Church via **Joyce Lake**. Thanks to **Shelly McGee** for taking responsibility for re-gifting the leftover supplies and faux greens to Kingswood Youth Center.

Thanks to everyone who helped with the clean up. It was a big job!

A special thanks to those who made contribution to the Food Bank. The donation was for \$250,

## **FROM MARTIE LINCOLN...BEAUTIFICATION**

Season's Greetings, I hope the NEW YEAR is great for all of us. I will be meeting with the Chairpersons of all of our gardens in the next few months to discuss our next gardening season. New members will be contacted and ideas will be discussed and hopefully all gardens will have full crews so the work is easier for everyone. If you have any questions regarding the gardens, please contact me. **Martie Lincoln 603-569-2652**

Big Thank You for the December Meeting. What Fun! Members were so Creative and we had such an array of fabulous decorations and greens to choose from. I observed new and older members helping one another, learning from each other and laughing. Just what we want for our members...FUN! The food was fabulous and I am on a DIET!!!! Martie Lincoln

**Happy New Year Everyone!**

The 2025 DAR community service award ceremony at the December garden club meeting was quite an honor. I hope it was not too disruptive. As the hospitality co-chair for December, I really dropped the ball. My apologies go out to Anne and Linda who pulled up the slack. Our last two meetings have been mostly set up by the hospitality chairs instead of the members of the monthly committee. Since it is January, it may be a good idea to go over meeting responsibilities including signing in and welcoming new members.

The following people have joined since September 2025 and are not in our 2025-2026 yearbook.
