TEN COMMANDMENTS FOR SENIORS

1. Talk to yourself. There are times when you need expert advice.
 2. "In style" are the clothes that still fit.
 3. You don't need anger management. You need people to stop irritating you.
 4. Your people skills are just fine. It's your tolerance for idiots that needs work.
 5. The biggest lie you tell yourself is: "I don't need to write that down. I'll remember it."
 6. "On time" is when you get there.
 7. You've noticed people your age are much older than you.
 8. Ageing has slowed you down, but it hasn't shut you up.
 9. You still haven't learned to act your age and I hope you never will.
 10. "One for the road" means peeing before you leave the house.

The Wolfeboro Garden Club's speaker for January 2025 will feature a **New Hampshire Fish and Wildlife Steward**. The steward will present "**The Survival Story of Moose in New Hampshire**". This informative presentation will delve into the fascinating lives of moose in the state, offering valuable insights into their natural history and current challenges.

Attendees will learn about the unique characteristics of moose, including their impressive swimming abilities, and explore the factors that impact their survival. Topics will include the effects of climate change on moose populations, the role of parasites in decreasing survival rates, and the current moose population in New Hampshire. The presentation will also highlight what individuals can do to support the preservation of these iconic creatures, the largest members of the deer family.

Additionally, the steward will discuss the federal funding mechanisms that support long-term wildlife research, which have been pivotal in maintaining the health of the nation's fish and wildlife populations.

New Hampshire Fish and Game is actively working to better understand the challenges facing moose in the state and is developing strategies to ensure the survival of this iconic species in the New Hampshire north woods.

The event is open to the public, and all are welcome to attend.

Tuesday, January 14 at 1PM @ All Saints Church.

Members: When you see **Lil Shepard** give her an extra hug. She has been our faithful treasurer for longer than anyone can remember! It is time to give her a well-deserved rest. It is our hope that one of you will step in to replace Lil on the Board as treasurer. Katherine Minor is still our nomination person. Give her a call or a word that you would be willing to step up. **Katherine, 603-403-2289 or minorkath222@gmail.com**
