Save the Date! W.G.C. Road Trip

Wednesday - September 13, 2023

Dear Gardeners.

W.G.C. is planning a bus trip AND John Forti will be our host. Last February, February, our garden club enjoyed a rich and informative presentation by John, author of *The Heirloom Gardener*. John, a gardener and ethnobiologist, is Executive Director of Bedrock Gardens in Lee, N.H. Bedrock Gardens is an emerging public garden that integrates unusual botanical specimens and unique sculpture into an inspiring landscape journey. The Boston Globe described this garden as "one of the most beautiful and intriguing landscapes in New Hampshire." **Details to follow!**

A message from the Nominations Committee:

Help! We have an immediate need for someone to help our organization and volunteer to be **Vice President**. We won't be able to continue our normal meetings and have speakers, workshops, etc unless we have someone to step up and help organize. There is plenty of help from others who have held the position. There are written procedures to guide you. You get to be a rock star and bring in fabulous speakers for our meetings! If you have a friend who is willing to help you, you can work together to accomplish the tasks.

Please consider it. We saw during the pandemic that our group provides an important opportunity for socialization, and we need to continue the good work.

Please contact anyone on **the Board**,
or the Nominations Committee Chair, **Katherine Minor**
Their phone numbers are in your booklet.
