A MESSAGE FROM MARTIE

Hi Gardeners !

Gearing up for Spring!!! Whenever it comes! Many of the Garden Chairpersons **need help**. If you support our ten gardens with a little of your time it would really be appreciated. **PLEASE CALL ME AND I WILL PUT YOU ON A GARDEN WHICH WILL WORK FOR YOUR TIME COMMITMENT.** You can work alone or many of us work with partners. We will work with your schedule. All of us enjoy seeing the gardens thrive. Each garden is special. **Happy Spring!**

Also, if you would like to OPEN your own garden to our members just call me. It is always fun to see all the different gardens. Big or small.
