2023 Annual Wreath Sale and Fund Raiser

It's hard to believe that November is suddenly here. Thanksgiving is in a few weeks and that means that it's time for the Garden Club's Annual Wreath Sale and Fund Raiser. Many of the ladies have already been working very hard so that we can all have another successful year.

We will again this year be staging the wreaths at the Spider Web greenhouse #5 and conducting our public sale at the Wolfeboro Train Station. Parking at the greenhouse will again be in the back so as to not block their customers. The parking can be accessed by using the driveway to the right of the office.

- **So mark your calendars to join us attaching hangers and bows at the greenhouse on Tuesday, November 14th, starting at 8:00 am and continuing until we are done.**
- **We will need assistance unloading the truck,**
- **Delivering large orders including Mountain View Nursing Home, Green Mountain Furniture, Ann Scott's large order to her hanger, and the remaining wreaths to the train station as well.**
- **Public sales begin on Wednesday, November 15th at 9:00 am to 4:00 pm; thru Sunday, November 19; or until we are sold-out.**

If you have already signed up to work with us – thank you very much. If not, feel free to join us as it will be busy and fun. Also, please remember to come by the train station to purchase a wreath for yourself with a beautiful hand-made bow from our large assortment. We are hoping again for another great year and with your help we should be able to meet our goal.

Thank you and have a great holiday season.
