News from the Wolfeboro Garden Club

**We WILL be having a November
Meeting on Tues. Nov 12
Pizza at 12:30, Program at 1pm
Board meeting at 11am.**

GET FIRED UP!!!

FROM THE PRESIDENT

A change of plan! Originally, we were not going to meet on November 12, but decided to take this opportunity to have a casual (pizza and salad) volunteer recognition lunch at All Saints. We want to acknowledge everyone who has contributed their time and energy in various ways to all the Club's successful projects - summer gardens, publicity, bulb beautification distribution and garden tours and hospitality.

We will provide **lunch at 12:30** to thank all our members and their continuing contributions. This meeting will focus on both appreciation and recruitment! The program will be after lunch, beginning at 1.

Past and current Ways and Means Committee chairs will review our wreath sale history and sale procedures. We have been blessed with these talented women willing to take a leadership role in sustaining our organization.

Betsy Booth and Andrea Dudley, who worked for 7years on Ways and Means.

Terri White and Pat Gifford were Ways and Means co-chairs in 2020 when covid changed the world, and our holiday wreath sale needed to change, also. They will talk about how they got permission from the Town to use the Train Station and change the delivery system to a hybrid.

Sharon Smith and Sue Kilroy are past and current co-chairs. We thank them for embracing technology and streamlining the payment process. They had to find a new wreath supplier and deal with transportation issues.

As we move forward, we have these wonderful women to mentor the next Ways and Means Team. Please consider this opportunity to apprentice with them. We need women to commit to be our future leaders and sustain our club.

Please signup to make our '24 Wreath Sale a super success!

Here is the A-Team for our Successful Bulb Fest!!

Martie, Jen, Katherine Minor , Pat Blundo, Patricia Squires, Julie Fergus, Jen Todesco, Betsy Booth, Angie DeMuzio, Linda Baker, Laura Spellman, Margaret Connor(Thanks for the Scones!!) Shelly McGee and I know I have forgotten people!

WELCOME NEW MEMBERS

Please add these names to your yearbook
