Create. Inspire. Serve.

## Community Dance Performance 2024 Program

April 6, 2024 Johnson County Arts & Heritage Center Overland Park, KS

Welcome! Arts Inspired Network is pleased to host for our 2<sup>nd</sup> year, National Dance Week Kansas City Community Dance Performance 2024. Since 2013, “artistic generosity” has been a core theme for our organization through our student scholarships, artistic grants, and our AIN PROJECT 51 Initiative, “Every Child Deserves to be Inspired in the Arts”. Through this Initiative, we work to give art supplies and artistic opportunities to KC area low-income students. All donations are tax-deductible and can be made online at [www.artsinspirednetwork.com](http://www.artsinspirednetwork.com).  
**\*Art Supplies donated today will serve Mattie Rhodes Art Center in Kansas City, Missouri.**
